## All's Well That 'Trendz' Well

*Asahi India Glass Ltd. unfurls  
a new decorative range of  
architectural glass – AIS  
SunShield Trendz*

■ Asahi India Glass Limited (AIS), India has launched a new decorative range of high-performance architectural glass -- AIS SunShield Trendz. The glass aims to transform living spaces and elevate lifestyles through its high utility range and extraordinary visual appeal.

The SunShield Trendz by AIS is a range of patterned heat reflective glass that can be extensively used for both exteriors and interiors of a building — adding an exquisite and luxurious element to its appearance.
