

Asahi India Glass Ltd.

Windshield Experts to launch two new service centers in New Delhi

Delhi, 30th December, 2015: Windshield Experts (brought to you by Asahi India Glass Ltd.) is India's #1 automotive safety glass repair & replacement network in India. It is the country's largest auto glass replacement brand. With over 58 stores across 30 cities, Windshield Experts has today become the preferred destination for customers who love their car and want world class services.

On the occasion of New Year, Windshield Experts is coming with two new service centers, one each in East and West Delhi. The store in Pandav Nagar will be inaugurated on 4-Jan-16, Monday and the store in Anand Parbat will be inaugurated on 5-Jan-16, Tuesday. Mr. Ratish Ramanujam, COO – Windshield Experts will attend the store inauguration ceremonies. Not only are we expanding our network with these 2 service centers, but are also providing franchisees and launching self-owned stores across the country.

Apart from car glass repair and replacement, other value-added services like battery check and replacement, wiper blade replacement, vacuum cleaning services, water repellent coating, car detailing will also be available at these two new centers.

Mr. Ratish Ramanujam, COO – Windshield Experts said *“These centers will bring us one step closer to our customers and will firmly cement our position in the automotive glass repair and replacement business”*

Other Windshield Experts centers in Delhi are located in Adchini, GTB Nagar, Jagatpuri, Janakpuri, Kailash Colony, Laxmi Bai Nagar, Patel Nagar, Pitampura, Punjabi Bagh, South Extension, Ramesh Nagar and Vasant Vihar.

About Asahi India Glass Limited (AIS):

Asahi India Glass Ltd. (AIS) is India's leading integrated glass solutions company and a dominant player both in the car and building glass segment. It commands over 70% share in the Indian passenger car glass market. Established in 1986, AIS' footprint today spans the entire spectrum of the automotive and architectural glass value chains. It is a sand-to-solutions organization with products & services for institutional buyers as well as retail customers.
