Caution regarding Forward-Looking Statements

This Annual Report contains forward-looking statements, which may be identified by their use of words like 'plan', 'expect', 'will', 'anticipate', 'believe', 'intend', 'project', 'estimate', or other words of similar meaning. All statements that address expectations or projections about the future, including but not limited to statements about the Company's strategy for growth, product development, market position, expenditures and financial results, are forward-looking statements.

Forward-looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performances or achievements could thus differ materially from those projected in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events. The Company has sourced the industry information from the publicly available sources and has not verified those information independently.

Online version of the annual report can be viewed at: www.aisglass.com

In every tomorrow lies a vision that is driven by today.

AIS is constantly working towards achieving its vision of “see more” through glass, “see more” in innovation, “see more” in technology, “see more” in consumer centric products, “see more” to care for the environment. And it is constantly endeavouring to create an enabling environment today, to build a sustainable eco-system designed for tomorrow.

Led by its technologically empowered business systems and processes, AIS is continually expanding its portfolio of energy-efficient and environment-friendly products to continue to provide a more sustainable and long-lasting value proposition for all its stakeholders. It is judiciously investing in the present to shape the future, to make it a better place for all of us.

Future Ready – The AIS Way...

Chairman's Message

Dear Shareholders,

Being Future Ready means setting a vision and execution plan, which is the cornerstone of long-term sustainable growth for any company. For an organization designed for tomorrow, it is important to have the ability to see ahead of time and be ready to leverage future opportunities. It is equally important to be equipped with the capability to act upon those opportunities, through continuous augmentation of a progressive PDCA cycle.

At AIS, we are continuously strengthening our business model to be Future Ready. We strongly believe that to be future ready a company needs to have a futuristic vision, customer centricity, focused PDCA management, timely investment in technology and management dedication. Also these ingredients are not available "off the shelf" to any company, but are created and nurtured through years of focus and hard work and always keeping customer's interest at the center of any strategy and execution.

That the markets are continuously evolving and transforming was sharply brought out, within and outside India, during FY 2018-19. The global economy witnessed turbulence in the UK and the Euro region on account of multiple factors but growth in the US remained on track at the back of fiscal stimuli. Asia and the Pacific continued to be among the world's fastest-growing regions, enabling global GDP to stay within the FY 2017-18 range, at 3.6%.

The Indian economy showed deceleration owing to multiple headwinds, with declining growth of private consumption and muted exports which triggered a slowdown. Indian GDP growth closed the year at 7.1%. However, the IMF World Economic Outlook report, released in April 2019, has projected growth pick-up to 7.3% in CY 2019 and 7.5% in CY 2020.

It is heartening to note that despite the challenging macro environment, AIS continued to stay on track with profitable

growth, to post consolidated revenue at ₹ 2,931.91 crores for FY 2018-19, against ₹ 2,703.35 crores in the previous fiscal. Net profit before tax increased from ₹ 268.66 crores to ₹ 280.39 crores, while EBITDA went up from ₹ 487.17 crores to ₹ 534.12 crores in the same period. Net profit after tax also correspondingly went up from ₹ 177.38 crores to ₹ 190.18 crores – an increase of 7.2%.

In view of the financial performance of AIS in FY 2018-19 and in line with AIS's Dividend Policy, Board has recommended a final dividend of ₹ 1.0 per share.

Despite the challenging environment, the automotive industry posted growth during FY 2018-19. As per Society of Indian Automobile Manufacturers (SIAM), the industry produced 40,26,047 passenger vehicles and 11,12,176 commercial vehicles in FY 2018-19 as compared with 40,20,267 and 8,95,448 respectively in FY 2017-18. Overall automobile exports grew by a significant 9.6% during the year. With 77% market share in Passenger vehicles segment, AIS continued to remain a leader in this segment.

The auto industry aspires to triple in size by 2026, with the pace of infrastructure development supporting growth. These could be definitive tailwinds for Indian Automotive Component Industries thereby providing AIS with huge opportunities in the future. As a leading player in the auto glass segment, we stand strategically poised to harness the opportunity on the strength of our visionary focus, innovation edge, strong product capabilities and extreme customer centricity.

Net profit before tax increased from ₹ 268.66 crores to

₹ 280.39 crores,

while EBIDTA went up from ₹ 487.17 crores to

₹ 534.12 crores

Fast-paced developments in the Indian construction and real estate industry, driven by demand for housing and retail construction, also continue to propel demand for architectural glass. Despite a slowdown in the realty sector post RERA and GST, growth in the segment has remained buoyant mainly for the large organized players, who are clearly benefiting from the policy reforms. This augurs well for AIS.

Recent years have seen an increasing demand for improving and better aesthetics in commercial complexes, which has further fueled growth of the use of high performance glass in this segment. Growing environmental awareness is also boosting demand for high performance glass used across segments, with all customers, developers, architects, consultants seeking energy saving products and replacing artificial light in offices and residential complexes with glass that brings in sunlight. Increase in urbanization, strong housing demand, thrust towards affordable housings, impact of regulatory norms/codes, use of higher value-added glass, aesthetics and growing love for glass in our everyday life, will ensure healthy growth of architectural glass market in future. As a customer-centric, future-ready organization, AIS continues to invest in the expansion of its capacities and capabilities, to be ready to meet future demands.

Our on-going expansion into Gujarat with our 5th automotive plant, as well as our new sub-assembly unit at Andhra Pradesh shall ensure adequate capacities are available at strategic locations to meet future demand. Cognizant of the role of our people in the realization of this goal, we shall continue to invest in their progression through various learning and development initiatives aimed at their empowerment. In this journey, we shall also remain focused on enabling the progress of the communities around which we work, through our CSR charter.

As part of our CSR focus, we continue to engage in education, skill development and training of youth in and around villages of Bawal, Gujarat and Roorkee, we shall continue to invest in their development, going forward.

During the year, Mr. Eisuke Shiozaki and Mr. Gautam Thapar resigned from the Board of Directors. I sincerely thank Mr. Shiozaki and Mr. Thapar for their valued contribution to AIS as Directors. I also warmly welcome Mr. Yoji Taguchi, on the Board of AIS. I am sure his rich experience and expertise will add immense value to our Company.

The future growth prospects are clearly positive and AIS, with its future-readiness, is fully geared to make the most of the burgeoning potential. The future, we believe, is beckoning us with its expanding bouquet of exciting new possibilities and we are ready to unleash the full potential of our strengths to harness the same.

On behalf of the Board, I would like to thank all our stakeholders, including our customers, employees, partners, suppliers, shareholders, policy makers and the communities around our various manufacturing facilities for their continued support to AIS in FY 2018-19. We continue to look forward for your support and encouragement in the coming years as well.

With Best Regards

B. M. Labroo

Chairman

Share in passenger car industry

Vision

See more

This by-line captures AIS's culture:

- It describes AIS's products and services which delight customers by helping them see more in comfort, safety and security.
- It expresses AIS's corporate culture of merit and transparency.
- It defines the qualities of AIS's people who want to see, learn and do more, in depth and in detail.

To transcend the ordinary.

Mission

"JIKKO"-Execution for Excellence.

With major investments in place, the time is now to reap the benefits by execution for excellence.

Guiding Principles

All actions of AIS are driven by the following guiding principles:

- Creation of value for Shareholders
- Customer Satisfaction
- Respect for Environment
- Use of Facts
- Continuous Improvement
- Strengthening of Systems
- Upgradation of Human Potential through education and training
- Social Consciousness

Being Future Ready – Focus

India's leading integrated glass company, AIS is engaged in production and delivery of next-generation glass products and solutions to retail and institutional customers. A dominant player in Automotive and Architectural Glass segments, AIS provides end-to-end solutions across the entire value chain in both these segments – from manufacturing of float glass to glass processing, fabrication and installation. AIS is listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE).

AIS value proposition

The AIS value proposition is led by its strong innovation edge and engineering capability, powered by its people and technology and backed by manufacturing scale and quality. Its industry-leading breakthrough products are transforming consumer lifestyle and experience to create a futuristic environment, where aesthetic blends with innovation. Its expanding portfolio is constantly nurturing a new-age eco-system, centered on energy efficiency and sustainability. AIS is actively promoting concepts of "green building" and "sustainability" with its next-gen glass solutions.

With versatility at the core of its glass processing skills, AIS has emerged as the preferred partner for consumers, with its aesthetic and functional product range bringing alive new ideas and making way for a sustainable future.

Futuristic vision rooted in traditional ethos

The future-driven business landscape at AIS find roots in the past. Its business philosophy is rooted in its strong ethos and value system, customer centricity comprising the highest levels of transparency, integrity and quality. At the same time, it is continuously aligning its systems and processes to keep pace with future demands of the evolving consumer.

AIS began its journey in 1984, when it was formed pursuant to a Joint Venture between the Labroo Family, Asahi Glass Co. Limited (AGC Inc.) and Maruti Suzuki India Limited (MSIL). The promoters jointly hold approximately 55% of the shareholding and the balance 45% is held by the public.

Initially known as the Indian Auto Safety Glass Private Limited, the Company changed its name to Asahi India Safety Glass Limited (AIS) in 1985. It started operations with the manufacture of toughened glass for MSIL. The Company became public limited through an Initial Public Offer (IPO) in 1986 and got listed on the Indian Stock Exchanges. Subsequently, with the acquisition of Floatglass India Limited, it forayed into the construction glass business, changing its name to Asahi India Glass Limited (AIS) in September 2002.

Steered by its customer-centric, quality-focused and future-led strategic approach, AIS evolved from a single customer, single plant, single product company to India's leading integrated glass company in just three decades of operations.

Strategic Business Units

Aligning itself to the growing demand for pioneering glass products and services, AIS has structured its business model to encompass three clearly-defined SBUs.

Automotive Glass

Architectural Glass

The SBUs are driven by a synergistic inter-play of world-class quality and high-end innovation.

Its transformation from being a mere manufacturer of quality glass to becoming the best-in-class glass solutions provider is guided by its digital and technological prowess, which is led by its in-house research and development team.

Regular investment in capacity and capability further propels AIS's business scale and reach, as it surges towards the realization of its sustainable business growth plans. A robust network of distribution channels is another vital engine of its business strategy, which is aligned with the AIS commitment to deliver more value for the new-age customer and other stakeholders.

Consumer Glass

Quality Credentials

The AIS products adhere to stringent global standards of quality and certifications include:

- ISO 9001: 2008, TS 16949: 2009 and for Quality Management Systems
- OHSAS 18001: 2007 for Occupational Health & Safety Management
- IS 2553 Part 1 Certification for Safety Glass
- IS 2553 Part 2 (Temp) for Safety glass — Specification Part 2 For road transport
- ECE Marking (Cat I, II and III) for Automotive Regulations

Manufacturing Prowess

From a single-location manufacturing company, AIS has expanded into an organization with multiple production and assembling facilities across India. It has four state-of-the-art production facilities, strategically located in proximity to its customers' manufacturing facilities, thereby ensuring seamless service and effective delivery of quality products. AIS's plants are optimally automated and deploy the most modern shop floor practices.

Auto Glass Plants

These plants help AIS cater efficaciously to the needs of customers all over India and across Europe, the Middle East, SAARC countries and the South East Asian countries.

Being Future Ready - Connected

Glass is a product that allows endless possibilities for a "connected world". Its a delight for the designer as well as engineer. Its physical and chemical properties makes glass amenable to a host of visual and communication technologies. **Glass is Future Ready - and so is AIS.**

Future – Forward

The world of glass is changing fast. More innovative solutions, more visually appealing products, more versatile fabrication processes, more energy efficiency and a more sustainable eco-system to meet requirements of a “greener future”.

AIS is powering its transformation to align with this change. It is creating exciting new blends of aesthetic appeal and sustainable features, to create glass products and solutions that are designed to bring the future closer.

In this business transformation, AIS is navigated by its strong ability to decode the new-age consumer’s need for attractive, smarter and technologically more evolved glass products. It is, at the same time, led by its deep insights into the consumer’s growing desire for sustainable and environment-friendly glass solutions.

Futuristic Products Launched by AIS

The new products launched by AIS are aligned to futuristic insights. If the addition of six new shades to AIS Décor during FY 2018-19 was aimed at catering to the consumer desire for aesthetics, the Twin Sash is a new extension to the AIS uPVC range – AIS Windows Magnificia, to make windows stronger as well as warp and rot-free.

The other initiatives of the year – the Dark Green UV Cut glass for Auto, the re-introduction of AIS Mirror and introduction of Aluminium range under AIS Windows – were also in tandem with AIS's focus on creating a value proposition designed to meet the needs of tomorrow's consumers.

It is AIS's constant endeavour to strengthen innovation through consistent investments in enhancing its technical and engineering abilities, while imbuing its products with highly advanced digital elements. AIS continues to create new products to support sustainability through energy-efficient buildings.

The new and emerging Auto industry trends towards electric mobility, light weighting, vehicle safety, digitalization and infotainment are inspiring AIS to add more advanced features to its products, enabling the Company to maintain its market leadership position.

Leveraging sustainability to sustain the future

With the growing global environmental concerns translating into increased focus on creating a cleaner, greener and healthier eco-system for the future, AIS has also intensified its commitment to making its products and processes more sustainable.

It has made its Environment Management System (EMS) integral to its future-looking business strategy. AIS's systems and processes are designed to meet the most stringent environment protection rules and regulations, with persistent focus on reducing its carbon footprint and pollution.

Underlining AIS's strong commitment to long-term sustainability are the certifications it has earned from prestigious environment certification bodies, such as the GRIHA Council and the CII – Green Products and Services Council, for its products, in the Architectural Segment.

Automotive Glass SBU – Inspiring a New Future

AIS is the only glass company in India to be awarded the prestigious Deming Application Prize in 2007, for outstanding performance improvements through the application of Total Quality Management (TQM). The Bawal manufacturing unit got the TPM Excellence Award – 2010, underlining AIS's quality credentials and strengths.

Leading the way into the future

Sizzling Indian summers demand revolutionary interventions to make a vehicle ride comfortable. With the introduction of Dark Green UV Cut Glass in the Auto segment, AIS has inspired a future of comfort and sustainability.

Sliding Window for Buses & Trucks and the Bullet Resistant Glass are the other product forays of FY 2018-19, that promise to bring the future closer home for the Company's OEM customers, who are increasingly looking for value-added glazing solutions for their feature-rich products.

The recently launched IGU for Metro and Railways, available in a large range of tint and value addition, is designed to reduce heat build-up in summer and heat loss in winter. It lowers UV transmission & noise penetration, while improving safety and security.

To further boost its commercial vehicle product proposition, AIS is regularly adding products for “off highway”, tractors, earthmoving equipment and city trains, leading to expansion of its footprints in this segment.

The Company's forward-looking business model is also propelling its growth in the international markets and it was successful in expanding its footprint to the USA market during the year.

Agility to adapt quickly and effectively to new technologies, with a high level of quality quotient, has made AIS the leader in creating breakthrough products. As a market leader, AIS holds a dominant position in the Indian Automobile industry, which it has serviced for over three decades with its robust in-house development capabilities and innovation expertise.

The preferred partner for both global and domestic OEMs, AIS Auto holds 77% market share in the Indian passenger car glass market. Now AIS's products for commercial vehicles (trucks and buses), railways, city trains, tractors and off-highways are also finding increasing traction.

With sustained focus on powering cost and operational efficiencies, targeted at the development of energy-efficient and environment-friendly products, AIS is continuously investing in empowering its processes with new technologies.

Future is Green

AIS Dark Green UV Cut Glass

In its vision of the future, AIS sees Green as the most appealing and attractive colour for the Indian Automobile industry. Given that summer temperatures in India range between 35 to 45 degrees Celsius and even go beyond 45 degrees in extreme conditions there is a need for innovative solution to provide passenger comfort without compromising fuel efficiency.

Apart from reducing the thermal load inside the cabin, minimizing temperature by several degrees, the revolutionary Dark Green UV Cut glass product launched by AIS also eliminates UV radiation by more than 80%.

- It perfectly complies with the Indian regulation for light transmission of 50% for sidelites.
- This product provides a lifetime solution as opposed to sun-control films, whose use is banned in India.
- Certified by Skin Care Foundation, this glass is seen to reduce air conditioning load about 10-15%, thereby reducing load on compressor.

Progressing together into the future

Among the major OEMs with whom AIS is partnering future growth in the Automotive segment are:

During FY 2018-19, AIS started supplying its products to several new models of vehicles. These included New Ertiga & New Wagon R (MSIL), Civic (Honda), Yaris (TKM), Marazzo & TUV300 + (M&M). AIS's glass offerings for the new models come with many innovative changes, such as Solar Green Glass and Acoustic PVB for Yaris, 2.8 mm Backlite for New Wagon R, among others.

An Expanding Product Portfolio

- › **Laminated Windshields**
- › **Tempered Glass for Sidelites and Backlites**
- › **Defogger Glass**
- › **Glass Antenna**
- › **Encapsulated Glass**
- › **Solar Control Glass**
- › **IR Cut Glass**
- › **UV Cut Glass**
- › **Dark Green UV Cut Glass**
- › **Flush Fitting Glass**

- › **Rain Sensor Windshield**
- › **Wiper Heated Windshield**
- › **Glass with assembly**
- › **Privacy Glass**
- › **Acoustic Windshield**
- › **IR Cut and Acoustic Windshield**
- › **Sliding window for Buses and Trucks**
- › **Thinner Glazing (2+1.8mm, 2+1.6mm, 2.8mm)**
- › **Bullet Resistant Glass**
- › **IGU for Metro and Railways**

Architectural Glass SBU – Creating Habitats for Future

From merely providing the comfort and safety of a roof over the head, to standing out as aesthetic and powerful symbols of energy efficiency, homes and offices in India have come a long way. Today's consumers seek variety in design, but want it packaged in environment-friendly casings, in line with the trending global pattern. They want creative choices to make their homes/offices distinctive, characterizing perfection of a new kind.

AIS's innovative product and service portfolio in Architectural Glass spans complete glass solutions for exterior and interior architecture. AIS has the knowledge, expertise and unmatched array of product to bring an artistic idea from a vision to masterpiece. Designed to provide its customers with an optimal balance between daylight and energy saving, combined with visual and thermal comfort, the architectural glass solutions of AIS are carved in the evolving industry trend, which is increasingly shifting towards green buildings and sustainability.

DLF Cyber Park

AIS is proud to be a supplier of choice for DLF for its project DLF Cyber Park, located on NH-8 Gurugram. It spread across a 12 acre complex with 2.5 Million Sq. Ft. area. The building is targeting USGBC LEED Platinum Certification. Extensive usage of high performance glass has allowed for 75% building having natural day light penetration & 90% of occupied area has view of exterior.

Key requirement of customer in this project was to have a defined aesthetic with high reflection in the glass which was not available with any glass manufacturing company in India. Based on the brief received from the Architect Hafeez contractor, AIS developed a special product within record time as per requirement and executed the project flawlessly.

AIS's decision to restore AIS Clear Mirror in the North Zone and to revive AIS Bronze Mirror, was also rooted in its philosophy to provide 360 degree product bouquet to its customers. To address the consumer aspiration for improved aesthetics, AIS launched six new shades in the AIS Décor Shades portfolio, taking the total number to 16.

AIS's customer profile spans automotive OEM's manufacturers, processors, distributors, dealers, channel partners, institutional clients etc., whom it services through its extensive network of

4 Zonal offices and 1,238 distributors

Getting more sensitive to the future

AIS's powerful combination of knowledge, expertise and experience has positioned it ideally to craft glass products that can give a new interpretation to space and a new meaning to lifestyle. AIS Architectural SBU is delivering best-in-class offerings to address the needs of the modern consumers, architects, builders, consultants, fabricators and interior designers. Its customer profile spans automotive safety glass manufacturers, processors, distributors, dealers, channel partners, institutional clients etc., whom it services through its extensive network of 4 Zonal offices and 1,238 distributors.

Reflecting its growing sensitivity to future needs, AIS further expanded its Ecosense range of high performance glass giving more options to architects to design modern building without any compromise on sustainability products.

Each of these products is inspired by a unique need of the evolving customer for a technological, aesthetic or cutting edge to elevate their lifestyle.

Solar control

Enhance:
Nimbus, Harmony, Serene, Oasis

Solar control & Low E

Exceed:
Blueberry, Auralia

Advanced solar control & double Low E

Excel:
Clear Star, Green Star, Blue Star, Clear Marvel, Green Marvel, Blue Marvel

Solar control with thermal-insulation (Low E)

Edge:
Natura Advantage, Chroma Advantage, Electra Advantage

The Architectural SBU's product range is diversified across thickness, shades and sizes, to cater to the complete spectrum of customer requirements and aspirations, such as aesthetics, security & safety, comfort, acoustics, energy efficiency and cost optimization.

Trending with 'Trendz'

The newly unveiled decorative range of architectural glass – AIS SunShield Trendz, is an eclectic mix of functional superiority and refreshing aesthetics. This patterned heat reflective glass adds an exquisite and luxurious element to the building's appearance.

A trendier solar control glass, it delivers advanced solar control technology. The appeal is further enhanced with benefits like:

Glare
reduction

Protection from
UV radiation

Cooling
comfort

This helps improve the energy efficiency of homes and commercial spaces, while being aesthetically pleasing. This glass has an architectural flexibility that makes it suitable for diverse applications such as windows, external facades, partitions and interiors.

Initially available in a Royal Gold variant, which comes in a Bubble Mist pattern, AIS SunShield Trendz will soon be expanded into a wide range of vibrant colours and exciting patterns, such as Cross Hatch, T-Weave, Box Stripes, Mini Squares and Bubble Mist.

Showcasing the sustainability edge with Mahindra TERI Centre of Excellence

AIS associated with Mahindra Group and TERI (Tata Energy Research Institute) for a new Centre of Excellence in Gurugram, to showcase their sustainability edge with their most-celebrated energy-efficient project.

The Mahindra-TERI CoE's new research facility, inaugurated in June 2018, employs innovative products from AIS to take the Centre's sustainability measure to a new high. Among these products are high-performance energy-efficient glass, uPVC doors and Windows, laminated skylight work & frameless doors. With this project, AIS has taken a big leap into the future of sustainable building and living.

Consumer Glass SBU – Opening New Windows to the Future

No intrusive noise to disturb the peace of mind. No searing heat flowing in. No water seeping in to sully the house in the rainy season. This is a vision not of some distant future, but the aspiration of every customer today. It is an aspiration that is increasingly getting within reach and easily fulfilled.

With its extensive research into the evolving consumer trends and needs, AIS has opened new windows for customers, to transport them into the world of their dreams with its advanced range of doors and windows. AIS Windows brings end-to-end 360-degree solutions viz. design, consultation, glass and frame selection to installation, to customers, with the materials of their choice.

AIS Windows, however, is just one part of the Company's Consumer SBU story, which continues to grow year after year, as it moves pro-actively towards new consumer-facing solutions. AIS is now moving beyond manufacturing, supplying and installation of glass products to providing consultation-led customized solutions to the end-customer.

Powering the consumer

Consumers today are much more aware, searching for offerings that are aligned to their personal taste in their living and work spaces. The modern consumer seeks innovation – a need that AIS is well equipped to deliver with its pioneering spirit.

AIS's decision to establish 'Consumer Glass' as a separate SBU was inspired by this changing consumer desire. This SBU brings together diverse AIS portfolios to the end-user's doorstep, providing consumer-centric solutions through strong design and execution skills.

As in other SBUs, technology spearheads its business proposition in Consumer Glass too, enabling AIS to establish itself as a market leader within a short span of time. AIS's growing footprint in this business stands testimony to the success of its strategic focus and the increasing consumer popularity of its services.

The AIS Consumer Glass SBU caters to consumer needs across its Automotive and Architectural businesses through:

GLASXPERTS

India's first organized glass design and installation service for ultra HNI and HNI segment, GlasXperts is a one-stop 360-degree solutions provider for the new-age consumer seeking modern, eco-sensitive aesthetics. It is designed to meet the needs of consumers looking for the complete range of world-class, high quality, branded glass products, fittings and systems, with assured safety and hassle-free service, under one roof. GlasXperts integrates its specialized glass knowledge in design, selection and installation of glass in homes, to create exciting new life spaces for work in offices and commercial establishments.

AIS has developed an after-market distribution model for hundreds of dealers and retailers across India, supplying to them automotive safety glass and sealants, through its associates, AIS Distribution Services Limited (ADSL) and AIS Adhesives Limited (AIA) respectively.

Windshield Experts

India's #1 automotive glass repair & replacement service, Windshield Experts is focused on delivering timely and prompt service to customers. Led by 'Repair First' philosophy, it is an ISO 9001:2015, certified company, conforming to the requirements of the quality management system.

AIS Windows

A new extension of the Company's consumer value proposition, AIS Windows offers end-to-end 360-degree solutions viz. design, consultation, glass and frame selection to installation to customers. Blending materials of the customer's choice, it offers them high-end product and hardware fittings in uPVC, aluminium and wood.

The value proposition of AIS Windows lies in a mix of conventional functions like protection from environment, day lighting and aesthetics and contemporary functionalities like safety, security, noise cancelling and energy efficiency.

In tandem with the evolving customer needs and aspirations, AIS continues to expand its product range, which includes:

In addition, the Company delivers customized benefit windows, backed by professional installation services.

A new extension of the Company's consumer value proposition, AIS Windows offers

end-to-end 360-degree solutions

viz. design, consultation, glass and frame selection to installation to customers.

Getting Future Ready – The Digital Route

With digitalization emerging as the new way of life for the smart customer, AIS is aggressively enhancing its digital proposition to improve customer interface and experience.

FY 2018-19 saw the launch of the following apps to deepen engagement with the new-age customer.

AIS World of Shades

This Virtual Reality app helps customers visualize the perfect glass colour scheme for their homes or offices from the comfort of their smartphones, using virtual reality. The colour choice can be made across the AIS solar control and heat reflective glass, namely AIS Opal, AIS Opal Trendz (India's only patterned heat-reflective glass brand) and AIS Sunshield.

The app also helps in visualizing the AIS Décor range of lacquered glass that is suitable for a range of contemporary interior applications. A VR headset helps in getting a comprehensive view of the building with coloured glass.

The app, which can be navigated and switched between different zones in the building, is available in three interactive modes:

Key Features

- Toggle between different patterns for each colour and shade across all the three great AIS products: AIS Opal, AIS Opal Trendz & AIS Décor.
- Navigate and switch between different interior and exterior zones of different spaces.
- Visualize AIS glass from different angles or sections of the building.
- Scroll through variants and shades by directing your gaze from one option to the next.
- Navigate and explore any area of your choice.
- Switch to the 360-degree view at any time to view different solutions on phone itself.

AIS Virtual World – VR app

This unique Virtual Reality app is a virtual villa of AIS's innovative glass solutions, taking customers through an immersive tour. A realistic and interactive experience, it gives the user the freedom to explore the glass solutions and applications in a 360-degree environment.

The app functions by:

- Providing high quality of artistic detail and multiple points of interactivity, which can be viewed on a mobile platform through VR gear or google cardboard.
- Showcasing the value proposition through a physical demo, which may be otherwise difficult due to any logistics-led constraints.

Using this app, customers can test the glass solutions in a virtual environment, where they can find all information on performance and quality of the product/solution.

AIS Glass Simulator

This app brings the right glazing solution to the customer's fingertip, giving them the ability to choose an ideal energy-efficient glass solution for their architecture. Available on both Android and IOS app stores, it helps in the creation of energy-efficient spaces by scrutinizing various parameters to suggest the best energy-efficient glass solution. These parameters include:

- | | |
|-------------------------------|--|
| 1 > Location of the building | 2 > Building shape and size |
| 3 > Geography of the location | 4 > Orientation, wind-load, etc. of the building |

Working as a personal glass consultant from the palm of the hand, it helps in saving time, effort and money, while simultaneously providing the best glass solutions for the living or working space. Some of the exciting features of the app include an Energy Simulator, as well as a Project Showcase, to help users see all the eminent projects that have employed AIS glass, as well a section that showcases AIS product catalogue.

AIS World of Glass

A showcase of the Company's diverse products, this app is an experiential zone for customers, allowing them to exhilarating experience two key functional benefits – Privacy and Security – provided by glass. It includes interactive demonstration of AIS Swytchglas, Glass with Integrated Blinds, AIS Stronglas, AIS Securityglas, etc., with provision for sharing feedback/requirements. Based on requirements shared, the AIS team connects with customers to offer the best solutions in glass.

The showcase of solutions spans diverse applications, spanning:

- 1 Solutions in Glass: The products have been categorized based on the functional solutions provided, namely – Acoustic, Privacy, Safety & Security, Aesthetic and Energy-efficiency solutions.
- 2 Solutions for Windows: Showcase of complete door and window solutions in uPVC and wood.
- 3 Specialized Applications: Display of innovative and specialized glass applications, such as glass staircases, infinity swimming pool, skylights, canopies, gazebos etc.

Digital Campaigns

The AIS future-driven business strategy spans the entire gamut of consumer needs, beginning with sensitization and awareness creation. AIS ran a series of digital campaigns during FY 2018-19 to reach out to existing and prospective customers, at an emotive level that connects with their future aspirations. These digital masterpieces enable the customers to virtually feel AIS products on their building facades and interiors, to help them make informed purchase decisions.

1. Award for Most Effective Recruitment, Engagement & Innovation
2. Retention Strategy, Employee Relations and Employee Engagement
3. Management of Change and Excellence in HRM

Q&A with MD & CEO

Q1. How do you see AIS performance during FY 2018-19?

FY 2018-19 was a diabolical year. While every plan was adjusted upwards for every month in the first half, the reverse occurred in the second half – from a small miss to record dropping drops. I am still not clear what caused it but clearly the squeeze on liquidity brought on by an NBFC default was the first stone of the avalanche. Other factors like overproduction at wholesale despite signs of weakness at retail, an anxiety about consumption with an important national election on the horizon are also contributing factors but clearly in today's 24/7 world the feedback loops, the starts of the virtuous and vicious cycles, the soaring and weakening animal spirits are much quicker and more pronounced. As we face the effects of a painful contraction today, I remain hopeful, with a steady hand at the national helm, and a few policies to be implemented, India will move back to growth quicker than what may be the current lament.

India's auto industry sales grew by 6.4 % against last year. But growth in passenger vehicles was muted to 2.7% only, while commercial vehicles witnessed a growth of 17.55%. Since the beginning of Q3 FY 2018-19, there was an unprecedented decline in demand for automotive and the industry is battling its worst crisis ever in the last 2 decades. The construction industry grew by 10% albeit with a higher growth rate in high performance products.

Amidst this backdrop, AIS continued to stay on track with profitable growth posting consolidated turnover of ₹2,931.91 crores for FY 2018-19 - a growth of more than 8% over FY 2017-18. While EBITDA grew from ₹ 487.17 crores to ₹ 534.12 crores in the same period, PBT went up to ₹ 280.39 crores, against ₹ 268.66 crores in FY 2017-18. I strongly believe that this financial performance has been a result of proactive steps taken much before to make our business model robust.

Q2. What were the key operational highlights of the year? How were these aligned with your key message of future-readiness?

Operations remained smooth through the year and as per plan. In the automotive glass SBU, we have implemented all the special initiatives from Maruti Suzuki – like Zero Defect, Zero Accidents, Comprehensive Excellence Framework, with great zeal and vigour. We also continued to further improve

our shop floor performance to drive maximum efficiencies with improvement in quality. This is the DNA of AIS – continuous improvement in a PDCA manner - by external and internal benchmarking, gap analysis and a plan to close the gaps in a time bound manner. I am proud to state that today, our shop floor operations are among the best in the world, especially when weighed with optimal costs and international quality. The slow-down in the industry gave us a chance to implement much deeper improvements in all areas of shop floor operations e.g. – retrofits of critical machines to improve output and quality, additional maintenance, training and safety related activities. We are also working on an ambitious program for “eco-manufacturing” across our plants. We remain committed to the dream of “Quality of Japan at Cost of India”.

At AIS, we constantly monitor changing consumer requirements and provide them with an array of high performance glass products and solutions. Therefore, despite the market slowdown, work continues in full swing at our greenfield plant in Gujarat. It is going to be a state-of-the-art automotive glass plant with world-class technologies and many unique features. We have also just commissioned our brownfield expansion of new truck and bus furnace at Chennai. We are also setting up a new sub-assembly unit at Anantapur (Andhra Pradesh) to cater more effectively to the future demand of our newest customer – KIA motors. Besides, our investments in LCAs (Low Cost Automation), specialised tooling, R&D, new product development, new machine development continue relentlessly.

In the architectural glass SBU, we continued our improvement activities with enhanced focus on manufacturing improvements, design of new products and operational cost optimisation. These initiatives led to a string of new product launches during the year like Enhance Nimbus, Enhance Oceanic Blue Plus, Exceed Auralia, Excel Marvel series & Exceed Vivid series, which were very well accepted by the market. The addition of six new shades to AIS Décor has given consumers a wider choice. With growing desire for aesthetics, we are also expanding our decorative range and unveiled AIS Sunshield Trendz range of architectural glass during the year to transform living spaces.

We are also significantly investing in our digital assets and superior customer experience. At the heart of this strategy is our focus on raising the bar of customer experience by improving the

features of our products, while introducing new products to add to her convenience. We have given them ease of choice with our recently launched mobile apps like “Virtual Reality”, “AIS World of Shades”, which lets them choose perfect glass solution to every one of their architectural glass needs. “AIS Glass Simulator” is another innovative app that allows our customers to choose the ideal energy efficient glass solution for their architecture from the convenience of their hand-held devices.

Q3. Your future-focused strategy necessitates continuous expansion and growth AIS. How are you managing your debt in this situation?

Our expansion and growth strategy is aligned to the emerging opportunities of the future. This opportunity is led by changing customer awareness about high performance, aesthetic, connected glass products and solutions, as well as Regulations around safety, energy consumption, light weighting, acoustics and overall human well-being.

We have continued with our expansion plans by investing about ₹ 1100 crores in the last 3 years. Our parameters for capex approval are extremely stringent with high threshold IRR as a prerequisite for any capital investment undertaken with prudence, ensuring that no fiscal compromise is made to scale growth.

Due to the above investments and slow-down in the market, we closed our debt on 31st March 2019 at ₹ 1,644.04 crores, which is higher than last year by ₹ 269.98 crores. However, the mix has improved as compared to last year. Against the backdrop of healthy internal accruals, I am confident of managing debt, which is 3.08X of EBIDTA. Our long-term debt to equity ratio is 1.1, which is quite comfortable. This is important to monitor because the overall debt is slanted negatively due to excess working capital as we carry high inventory for our value added production strategy. In a problem this can be reduced.

We have repayments of about ₹ 200 crores this year, which can be managed from internal accruals. I expect debt levels to subside in the near future. More importantly, the effective cost of debt has been decreasing which is a good sign.

Q4. How you see AIS’s future outlook? What are your strategic plans to drive future growth?

I am a firm believer in the long-term India growth story. When we started AIS in 1985, we put capacities for 100K car

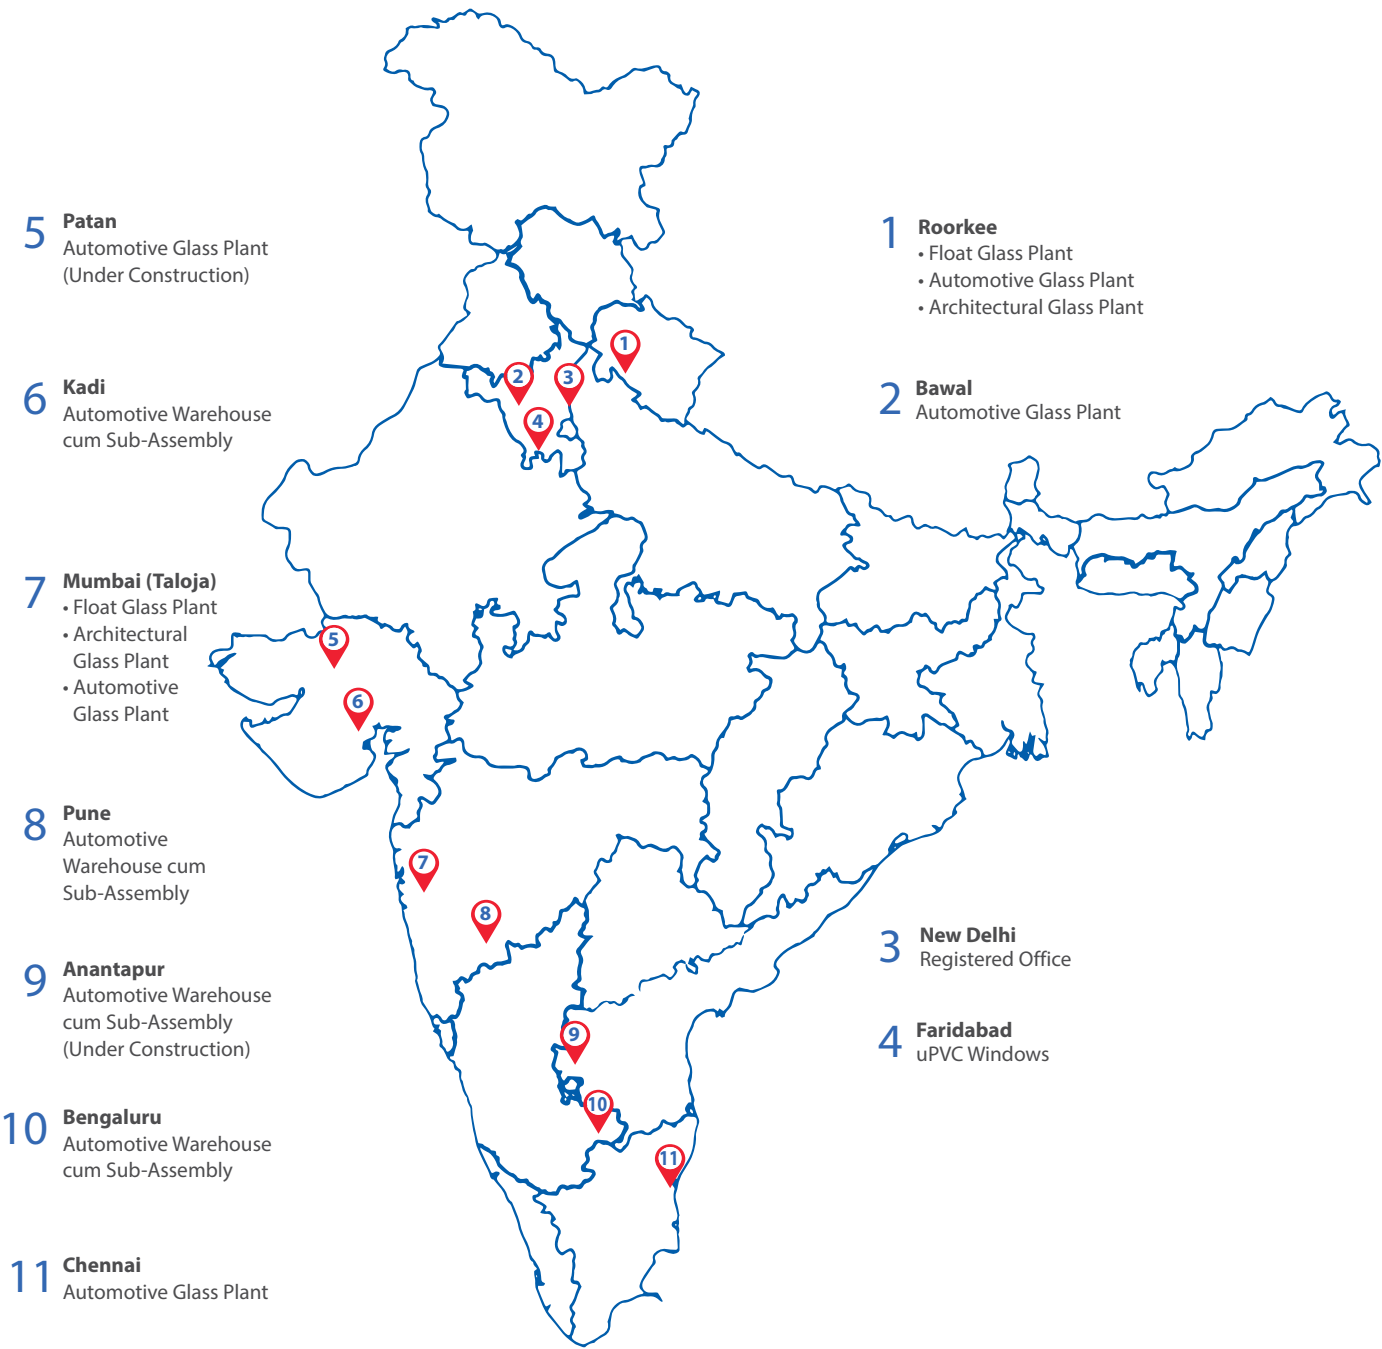

sets and some critics observed that it was way too much capacity as the market back then was 40K. I had a deranged quote at that time which went 40/40/40. From 40K to 40M in 40Y. I was completely wrong – we will be may be 6-7 million in 2025. But its been an amazing journey from 40K to 4M today. And everyone, even the sceptics, kept 10 million by 2030/35. I still believe India will match China – unfortunately for a host of reasons beyond my paycheck – it will do so may be 30 years later.

The consolidation and reforms triggered in both the Auto and Realty sectors because of policy interventions such as RERA, Euro VI, etc., coupled with the stabilisation of the GST regime, are beginning to shape new opportunities. Quality Companies like AIS are particularly well placed to make the most of these opportunities, as evident in our performance in FY 2018-19. Increased focus on energy-efficient products and environment-friendly glass, in addition to the growing aspiration for aesthetically pleasing and smart products, is driving a new level of customer convergence with our innovative products. This will continue to translate into greater profitable growth for us. Regulations like BS VI, CAFÉ norms, NCAP etc. will only drive up demand through the automotive value chain where customers are looking at safety, fuel efficiency and light weighting in a big way. In the Auto sector, demand for both passenger and commercial vehicles, as well as new and advanced components, is set to go up as the evolving consumer aspiration for technologically smarter and environmentally friendly vehicles. The Realty sector is also witnessing a growing demand, at the back of initiatives like ‘Housing for All’ and ‘Smart Cities Mission’, as well as the opening up of various infrastructure sectors to 100% FDI.

AIS has been working on pilot projects of “direct to consumer” model in a limited market segment, which are showing encouraging signs. Though our investments in these pilots remain very small, but they could be scalable models for the future.

We are driven by the relentless application of PDCA to delight our customers. Only if we can do that everyday can we remain relevant and profitable. Every team member of AIS is imbued with this culture of deep and long lasting customer orientation. That is our main strategy and strength.

Building Communities for Tomorrow

AIS believes that the future rests in inclusive progress of all and it has thus developed a strong Corporate Social Responsibility (CSR) framework for the welfare and upliftment of the communities around its manufacturing facilities.

Bawal

Educating for progress

As part of its educational program in Bawal Block, the Company is making educational services accessible and available for the underprivileged students, thus bridging the gap between them and their urban counterparts.

School Bus Services

The launch of the school buses has benefited a total of 7,440 girls so far, with five buses running in double shift. During FY 2018-19, the school bus service was availed by 475 girls from 37 villages to access Government Girls Senior Secondary School Bawal, enabling them to complete their secondary and higher secondary education. As many as 140 new admissions were made in class 9 & 11 due to this service. The educational status of the girls has improved by almost 70% in the villages where school bus is operational.

AIS Unnati Centers for Remedial Education

The AIS Unnati Education Centers help in supporting rural girls from underprivileged backgrounds to complete their school education, by providing drop-out and remedial educational support and helping them appear for qualifying examinations. 762 (300 Boys & 462 Girls) students are currently accessing the tutorial facilities across 22 AIS Unnati Centers. Over the past 13 years, the program has provided tutorial support to over 5,345 students. Almost 90% of the students enroll themselves for further education (more than 65% of the students enrolled are girls). Teachers provide concept-based learning through experiments and other interactive techniques.

AIS Unnati Centre for Drop-Out Education

A total of 1,594 students have been benefited by the drop-out unit since 2006. 55% of the beneficiaries in the last 2 years resumed their education and undertook professional courses. In FY 2018-19, a total of 159 youth (71 Boys & 88 Girls) were enrolled at the drop-out centers. Open school registration fees for 124 students was sponsored under the AIS ICDP grant. The drop-out students appear for class 10 examination through Haryana Open Schooling System. 45% students cleared class 10 (these students had been out of touch with studies for almost

School Bus Services

3-5 years). 55% of the beneficiaries in the last 2 years restarted their education and undertook professional courses.

Computer Education and Digital Literacy Program

A partnership has been developed with NIIT Foundation for providing professional certification to the youth undergoing the computer course. During the year, the program reached out to 249 youth (99 Boys & 150 Girls). A total of 1,411 youth have benefited since the inception of the computer program. More than 25 graduated students are working in the field of computers professionally and are financially independent now. A new AIS Unnati Computer Center for Girls was started at Nangal Shahbazpur where 30 girls are being provided with the opportunity to learn computers within their village premises and 42 girls have enrolled in the digital literacy class for the next batch.

AIS Unnati – Tailoring & Sewing

During the year, a total of 105 women/girls successfully completed the course. Apart from sewing and tailoring, embroidery and basic knitting were also included in the training program so that the beneficiaries could utilize these skills in increasing their earning capacity. This program helped augment their savings by almost 50% as they no longer have to depend on outside support for sewing and stitching. Six beneficiaries have opened their own sewing shops and the others are doing the sewing work from home.

WASH Program

This key intervention initiative is aimed at ensuring clean water and toilet facilities for the people.

Water Sanitation and Hygiene

Reverse osmosis community water plant was set up in partnership with Environment Planning Group Limited (EPGL), for providing the community with purified safe drinking water at an affordable cost. During the year, 130 families were registered and are receiving purified drinking water, leading to better health conditions in the nearby villages. This program has reduced migration from the village by almost 90% (one of 7 families were forced to migrate because of the poor health conditions earlier).

Toilet Construction and Maintenance

Thirteen toilets have been constructed in different villages, leading to increased attendance of girls. Every toilet has a caretaker to ensure its cleanliness. Orientation programs were held to create awareness among students about the harmful effects of open defecation.

Towards a Healthy Future

Under the healthcare programs, AIS held three eye camps in association with the I Care, Noida, to screen 700 people. 27 people were diagnosed with cataract and 14 of them underwent surgery. 370 spectacles were distributed during the year.

AIS Unnati – Other Activities

- Independence & Republic Day Celebrations - A quiz competition was organized on account of Republic Day, focused on the theme of "Making the best from waste material". About 800 students across 26 villages participated in the competition.
- Environment Day Celebration - Students from different Unnati Centers participated in an interactive session on conservation of plants/jungles. The students pledged not to use plastic and jute bags were distributed to all the participants.
- To strengthen the relationship with the people in the community and build a positive rapport with the villagers, 12 Community Meetings were conducted. The meetings focused on discussing project progress, initiating new Unnati Education and Tailoring centers, safety and security of solar panels, renovation of toilets at Unnati centers and health camps.
- During the year, a total of 16 Counseling Sessions were held with drop-out students. Over 150 students attended the meeting from 15 AIS Unnati Education Centers.
- 28 Activities such as drawing, painting, essay writing, quiz, group interaction, festival celebration and Haryanvi folk dances etc., were organized, in which 700 students participated.
- One In-House Training was organized in Science & Mathematics for all the full-time Unnati teachers. The training was focused on improving the teaching techniques of the teachers and helping them inculcate experiential, experimental and fun learning in their classes.
- 10 Monthly Tests were conducted during the year across all the Centers. External teachers conducted the mock tests and all the students successfully cleared the tests and received an average of 62% marks.
- The Annual Sports Meet was organized at the AIS Sports Ground, with activities like 100, 200, 300 meters race, matka race for girls and cricket match for the boys. Around 900 children from various Unnati centers participated in the sports activities.
- Job Fair was organized with the help of Santinel Security Pvt. Ltd. at AIS Unnati Computer Center, Nangal Shahbazpur, in which more than 150 youth participated from different villages. More than 15 youth joined the agency.

Computer Education and Digital Literacy Program

AIS Unnati – Tailoring & Sewing

Roorkee

Taking Education forward

The AIS educational initiatives in Roorkee are also helping empower people for future development.

School Bus Service

Over the last 11 years, 1,350 girls from 12 villages have used school bus for attending school. Currently, 150 girls from 8 villages are availing this service to commute to the Government Girls Inter College.

Remedial Education

A total of 140 girls (these Centers are only for girls) from 12 neighbouring villages access these centers. The centers provide a non-threatening space to the students, where they learn and clear their doubts regarding the difficult school subjects.

Drop Out Education Centre

In partnership with NIOS (which provides study material and study center, the AIS Drop Out Education Centers provided educational support to 38 girls to appear for class 10 examination during the year. 67 dropout girls and women are receiving tuition support. 107 girls are getting remedial education support. 100% students received mentor support and career counseling. Average marks scored by remedial program girls in their high school exams was 12% - higher than that of Uttarakhand Board.

Women Empowerment

The program aims to contribute to greater gender equality, as well as job creation and economic development. Over the last decade, the women empowerment program has touched more than 4,000 families. Currently, the program is operating in 45 villages.

Self Help Group (SHG)

By mobilizing small savings from its members, the SHG has been able to effectively recycle group resources for meeting the credit needs of its members. A total of 356 SHGs (with 3,921 women) have been formed since the inception of the program. During the reporting year, 23 new SHGs were formed, consisting of 300 women. Almost all women are linked with banking service and have become eligible to avail government schemes. SHG have together saved ₹ 54.67 lakhs in the FY 2018-19. The cumulative amount of savings has reached ₹ 219.13 lakhs. During the year, savings amount of ₹ 17.24 lakhs was redistributed by the women among themselves. The cumulative amount of inter-loaning reached ₹ 488.47 lakhs.

Revolving Fund

The revolving fund is given as a grant to SHG women to enable them to meet their credit needs to start income generation

enterprise or activities, or expansion of the existing enterprise or activity. Over a period of 10 years, approximately ₹ 352.96 lakhs of the cumulative amount has been given as loan to 2,918 women for starting their enterprise or income generation activity. An amount of ₹ 49.85 lakhs was distributed among 228 entrepreneurs in FY 2018-19.

Enterprise Development

AIS-ICDP aims to contribute to greater gender equality, as well as to more job creation and economic development of women. During FY 2018-19, a total of 289 new enterprises were established by the self-help group members. Total of 3,408 enterprises have been established.

Adult Literacy Program

AIS is currently running adult education centers at 11 project villages. Of these, two centers have completed their 18-month curriculum. Around 300 women are enrolled in the programs and 61% of the learners are in the age group of 30-50 years. Apart from reading & writing and basic numeracy, functional literacy was also added this year, which enabled learners to use mobile, ATM, withdrawing and depositing money in bank, using calculator, reading calendar etc.

Health Intervention

General Health Camps

Four general health check-up camps were organized in 2 villages and diagnosed 207 women. 23 sessions on health and hygiene management were attended by 1,540 women & children. Each patient was given medicines for 2 weeks.

Maintenance of Toilets in Government School

The objective of this program is to ensure cleanliness of the toilets in the selected school with the aim to promote good health and hygiene habits in the students. Under this program, 3 new government primary schools were added, taking the program to a total of 25 schools in the reporting year. This program has given 4,000 students access to clean toilets and provided a sense of security to the girls. Under this program, dustbins were installed within the school premises for ensuring clean surroundings.

Skill Development Training

Communication and Mobilization Training for Project Staff

During the year, two communication and mobilization training programs were organized to improve the communication and mobilization skills of the project staff.

Training of Community Resource Persons (CRPs)

Two training programs were organized to enhance the capacity of the community resource persons to help them understand their roles and responsibilities as a CRP. Nine community resource persons (CRPs) were deployed in the field to support the project staff in strengthening the self-help groups. CRPs not only improved the record-keeping of the SHGs but also ensured their timely meetings. This reduced the workload from the field staff, who could now focus on groups that were not functioning.

Accounts Training for the Women Entrepreneurs

During the year, two training programs were organized to build the capacity of women entrepreneurs in account-keeping. The trainees learned to manage the accounts of their income generation activity and types of records to be maintained for a business entity. The training also covers the basic necessity of starting an enterprise, SWOT analysis of the business and understanding the concept of cost and price. In the training, 34 women entrepreneurs from different SHGs honed their skill in account maintenance.

Enterprise Management Training to Women Entrepreneurs

Two-day enterprise management training was organized for the beneficiaries who own cattle. The participants were trained in best practices involved in taking care of milch cattle, cattle feed making, identifying breeds of cattle, symptoms of heatstroke in milch cattle and importance of artificial insemination (AI). A day-long training program was organized for women entrepreneurs running beauty parlours, where they were introduced to different processes and intricacies involved in bridal make-up, facial, threading, pedicure, manicure, hair cutting etc.

Tailoring and Embroidery

Four batches of Tailoring and Embroidery Training, comprising 120 girls, completed their course. The tailoring and embroidery center was operational in three project villages. The girls learned to stitch ladies' garments and embroidery work with fashion machines (suits, blouses, petticoats, frocks, gents' pajamas and flower-making on garments). This year, graduating learners were given training on Start Your Business (SYB), which covers the basic necessity of starting an enterprise, SWAT analysis of the business and understanding the concept of cost and price. The training gave the girls a clear understanding of the challenges faced in starting an enterprise and the methods which would help them run an enterprise in an effective manner.

Exposure Visits

Exposure Visit to Successful SHG Federations (Village Organizations)

Two exposure visits of 12 & 10 members were organized for the representatives of the village organizations, to introduce them to the functioning and documentation of their VOs. Members visited Rajiv Gandhi Mahila Vikas Pariyojna to observe and understand the functioning of the village organizations.

Exposure Visits to National Dairy Research Institute (NDRI), Karnal

Two exposure visits were organized for the women cattle owners to Artificial Insemination Centre, to teach them about the best practices in cattle rearing and importance of breed improvement through artificial insemination. The team observed the rearing of milking animals, their fodder, diet, milking techniques, nutrition requirement and general awareness. A team of 36 women visited National Dairy Research Institute (NDRI), Karnal. The scientists of Krishi Vigyan Kendra also conducted a question-answer session, where the women were able to clear their doubts and confusions about cattle rearing. The team of women observed various varieties of cows and their milking procedure.

Exposure Visits for Women Entrepreneurs

During the year, eight exposure visits were organized for the women entrepreneurs and SHG members to introduce them to various options of income-generating activities.

- Group of 16 women visited fishery, tent house work and paper-plate production units. The women learnt about calculation of the cost-benefit ratio and efficacy of the enterprises.
- Group of 12 women visited paper bowl and plate enterprise, tailoring center and petty shop run by women entrepreneurs.
- Group of 20 women visited to observe the process of making of LED bulbs, technical knowhow of making the bulbs, took note of the raw material required and costing of a finished product. The group also visited an AC and Electric appliances repairing and fitter unit.
- Group of 31 women visited fishery, poultry enterprises and other SHG engaged in cattle feed making, milk collection and selling.

Management Discussion and Analysis

Overview

Asahi India Glass Limited (AIS) is a well-known integrated glass solutions provider featured amongst the topmost players in the space. Product range encompasses Automotive, Architectural and Consumer Glass segments. With over three decades of experience, the Company has built a strong brand equity, led by innovative and superior quality products and unmatched customer service.

Macro-Economic Review

Global Economy

Global economic growth significantly weakened in 2018, especially in the second half. The world economy grew by 3.6% in 2018, as compared to 3.8% in 2017. The deceleration in growth can be attributable to the escalated trade tensions between United States (US) and China, macro-economic stress between Argentina and Turkey, disruptions to the auto sector in Germany, tighter credit policies in China and financial tightening alongside normalization of monetary policy in the larger advanced economies.

The expected pick-up in world economy is supported by significant policy accommodation by major economies. The US Federal Reserve, in response to rising global risks, paused interest rate increases and signaled no increases for the rest of the year. The European Central Bank, the Bank of Japan and the Bank of England have all shifted to a more accommodative stance.

China ramped up its fiscal and monetary stimulus to counter the negative effect of trade tariffs. The outlook for US-China trade tensions has improved with prospects of a trade agreement. Emerging markets have experienced resumption in portfolio flows, a decline in sovereign borrowing costs and strengthening of their currencies relative to the US dollar.

While 2019 began on a weak note, a pick-up is expected in the second half, with full-year growth projections being at 3.3%. In 2020, global economic growth is expected to be 3.6%, led by an expected rebound in Argentina and Turkey and some improvement in a set of other stressed emerging market and developing economies.

The emerging and developing economies (EMDE), which grew by 4.5% in 2018, is estimated to marginally decelerate in 2019

as it is estimated to grow by 4.4%. It is estimated to further rise to 4.8% in 2020, respectively. Growth in emerging and developing Asia is expected to slow to 6.3% in 2019, led by slowdown in China.

Indian Economy

Despite instability in the global economy, the Indian economy continued to be the fastest growing major economy. In the World Bank's Ease of Doing Business 2019 Report, India's ranking improved by 23 positions to 77th rank in 2018. Though some pressure persisted during the second half of the fiscal year 2018-19, its GDP is expected to grow by 6.8%, slightly lower than 7.2% witnessed in FY 2017-18. This deceleration was led by a slowdown in agriculture, weak consumer spending and investments and slowdown in manufacturing sector. According to the International Monetary Fund's World Economic Outlook (October-2018), India's economy is expected to reach USD 2,958 billion in 2019, overtaking France and United Kingdom, to become the 5th largest economy in the world.

WPI Inflation was within expected limits at around 3% level since December 2018. During FY 2018-19, WPI inflation came at 3.18% versus 2.74% in the previous year. Retail inflation was within the target of 4% set by the Reserve Bank of India (RBI). This prompted the central bank to initiate three rate cuts in February, April and June 2019 each, to give a boost to economic growth, reducing the repo rate to 5.75%. The Indian currency experienced some weakness due to negative FII flows and worsening current account. Current account deficit (CAD) narrowed to 3.4% of GDP, Index of Industrial Production (IIP) grew at 3.6% from 4.4% a year ago and IIP of Manufacturing registered 3.5% growth. FDI inflows remained strong in April-January 2018-19. India's foreign exchange reserves were at USD 412.9 billion on 31st March, 2019.

The amendments being brought about in GST are expected to further encourage a smooth shift from informal to formal sector. The economy stands to benefit from the direct cash transfer program for farmers and tax relief measures announced for the middle-class. In addition, capital infusions to public sector banks and application of the Prompt Corrective Action (PCA) framework in conjunction with the Insolvency and Bankruptcy Code are expected to improve asset quality.

IMF projects India's economy to pick up to 7.3% in 2019 and to 7.5% in 2020, led by lower oil prices and accommodative stance of monetary policy, low inflationary pressures and robust tax

collections. However, certain challenges continue to persist, including subdued rural income growth and manufacturing sector growth to ensure robust future growth prospects.

(Source: Central Statistics Office's provisional estimates, IMF)

Industry Overview

The automotive and construction sectors are the largest influencers of demand for the glass industry. FY 2018-19 witnessed growth in domestic sale of Passenger Vehicles by 2.7% and the Commercial Vehicles by 17.55%. Within CV segment, LCVs grew by 19.46% and MHCVs grew by 14.66%. Favourable macroeconomic conditions with increasing urbanization, rising disposable incomes, growing preference for personal transport and Government's focus on mass transport systems are expected to boost growth in the sector.

India's construction industry regained its growth momentum in 2018, aided by positive developments in the overall economic conditions, improvement in investor confidence and due to investments in transport infrastructure, energy and housing projects. The key areas of expected growth are social infrastructure, hospitality, educational institutions, hospitals, government accommodation, defence infrastructure, solar park development and water resources. Construction of commercial segment remained healthy in 2018, led by spending in warehouses, offices and lodging segments. The outlook for 2019 is towards moderate spending growth in the commercial market. In the residential segment, falling interest rates and Government's strong push for affordable housing is expected to provide the necessary stimulus to the construction industry in India.

Major drivers of demand for Glass Industry in India:

- Rapid urbanization causing increased demand for urban office space, malls and residential properties.
- Government's initiatives including Smart Cities Mission, Housing for All and falling interest rate scenario.
- Regulatory developments like RERA and REIT, aimed at boosting construction activity.
- Increased investment in building construction, automotive and railway sectors announced in Interim Budget 2019-20.
- Growing prevalence of glass windows, especially in commercial and premium residential spaces.
- Growing popularity of high performance glasses in buildings, led by hot climatic conditions.
- Government's push for solar energy, coupled with growing environmental concerns leading to growing demand for solar glasses.

Financial Performance

During FY 2018-19, AIS continued to post enhanced performance result despite a challenging environment. The significant financial highlights include:

Net sales increased to ₹ 2,931.91 crores in FY 2018-19 from ₹ 2,703.35 crores in FY 2017-18, posting 8.45% growth

Operating Profit (EBIDTA after extraordinary & exceptional items) increased to ₹ 534.12 crores in FY 2018-19 from ₹ 487.17 crores in FY 2017-18, posting 9.63% growth

Strong growth in top line, flowed through the P&L to Profit Before Tax (PBT) increasing to ₹ 280.39 crores in FY 2018-19, from ₹ 268.66 crores in FY 2017-18, posting 4.37% growth

Net profit after tax stood at ₹ 190.18 crores in FY 2018-19 from ₹ 177.38 crores in FY 2017-18, recording 7.22% growth

Earnings per share increased to ₹ 7.82 in FY 2018-19 from ₹ 7.30 in FY 2017-18

The Board recommended a final dividend of ₹ 1 per share for FY 2018-19. Subsequent sections entail the details on development and financial performance of different business segments of the Company.

Automotive Glass

The Company has over three decades of experience in supplying high quality glass product to global and Indian OEM customers in India. It has emerged as the preferred manufacturer of automotive glass for passenger and commercial vehicles, railways, metros, tractors and off-highways. The Company enjoys a strong leadership position in the automotive glass segment, catering to complex requirements, offering superior quality, wide range, cost effective and innovative and unique designs to its global customers in India. Coupled with a strong focus on consumer experience, the Company has emerged as one of the most trusted and reputed suppliers.

AIS Auto's product portfolio encompasses IR cut glass, UV cut glass, Solar control glass, Encapsulated glass, Laminated windshield, Defogger glass, Tempered glass for sidelites and backlites, Rain sensor windshield, Heated windshield, Plug-in window and several other value-added products. The Company focuses on innovation and designing as per the transforming

needs of the automobile manufacturers globally. AIS Auto has world-class manufacturing facilities with in-house research, design and development of new products, production technologies and equipment.

Industry Structure and Development

FY 2018-19 was a challenging year for the automobile sector, driven by lower liquidity, high fuel prices, rising insurance costs and increasing popularity of ride-hailing apps. The year witnessed sales growth of 6.37%. The sale of Passenger Vehicles grew by 2.7% in April-March 2019-20 over the same period last year. Within Passengers Vehicles segment, Passenger Cars and Utility Vehicle grew by 2.05% and 2.08% respectively in FY 2018-19 compared to the previous fiscal.

Overall Commercial Vehicle segment grew by 17.55% in FY 2018-19, as compared to the same period last year. Medium & Heavy Commercial Vehicle (MHCVs) grew by 14.66% and Light Commercial Vehicle (LCVs) grew by 19.46% in April-March 2019 over the same period last year.

Performance

The major highlights of FY 2018-19 include:

- Net sales came in at ₹ 1,752.25 crores from ₹ 1,729.56 crores in FY 2017-18, registering 1.31% growth.

- Segment profits before interest and un-allocable items came in at ₹ 295.68 crores from ₹ 279.82 crores in FY 2017-18, registering 5.67% growth.

The Company continued to upgrade its technology and modernize its manufacturing process and technology. It also worked towards improving employee engagement and providing better skill upgradation opportunities. Business expansion strategy continued to be implemented with the existing and new customers. The Company remained committed to highest performance standards and providing best-in-class services to its customers.

Product Portfolio

AIS Auto's range of products include thinner Windshield, UV Cut Glass, Dark Green UV Cut Glass, Solar Green Glass along with IR Cut and Acoustic Windshields, Water Repellant Sidelites, Head Up Display (HUD), Laminated Windshields, Tempered Glass for Sidelites and Backlites, Defogger Glass, Glass Antenna, Encapsulated Glass, Plug-in Window, Solar Control Glass, Flush Fitting Glass, Rain Sensor Windshield, Heated Windshield, Acoustic Windshield, Extruded Windscreen or Mouldings, Wiper Heated Windshield, Glass with Assembly, Privacy glass, Sliding Windows for Buses and Trucks, Thinner Glazing (2+1.8mm,

2+1.6mm, 2.8 mm), Bullet Resistant Glass, IGU for Metro and Railways. All these products and new technologies are well accepted by AIS's customers.

Operations

Overall operations remained smooth. AIS started supplies to new model vehicles including New Ertiga, New Wagon R, Civic, Yaris, Marazzo and TUV300+ of different customers.

AIS continued its expansion plans at its new green field under construction plant at Patan (Gujarat) and new sub-assembly unit at Anantapur (Andhra Pradesh). AIS also commissioned Bus & Truck furnace at Chennai.

Various awards and certifications received in FY 2018-19 from its customers include:

Trophy and Certificate: Gold Award in the Category of Cost 18-19 from Honda

Trophy and Certificate: Winner Quality category at National level Kaizen Competition 2018-19, through Honda Cars India Supplier Club from Honda

Trophy and Certificate: Winner EHS category at National level Kaizen Competition 2018-19, through Honda Cars India Supplier Club from Honda

Gold Award for Cost from Honda

Certificate of Appreciation for Performance in Spare Parts "Delivery" from Honda

Kaizen Award for Quality and EHS from Honda

Shield for Overall Excellence from Maruti Suzuki

Certificate for Special Support for the FY 17-18 from Maruti Suzuki

Certificate for Spares Performance for the FY 17-18 from Maruti Suzuki

1st Place in Quality Marshal Competition 2018 from Hyundai Motors

Supplier Synergy cluster award for the year 2017 from Hyundai Motors

Appreciation Award for celebrating 20 years of togetherness from Hyundai Motors

Best Performer in Material Receipts from Hyundai Motors

Q1 Award from Ford Motors

Performance Award from SMG

Award for Best Performance in Development from Ashok Leyland

Award for Extraordinary Performance in Service Parts Supply from Toyota Kiloskar

Best Self Reliant Supplier (Project Management) - Year 2017 from Toyota Kiloskar

Certificate for achieving targets in the category of Delivery - Year 2017 from Toyota Kiloskar

Trophy and Certificate for Best Environment Promotion Supplier from Toyota Kiloskar

Certificate for Nomination in Excellence in Performance from Daimler

Outlook

Moving ahead, several factors are directed to facilitate long-term industry growth and reduce emissions and oil dependence. Some of these are: Government's Automotive Mission Plan, the National Electric Mobility Mission Plan (NEMMP), Faster Adoption and Manufacturing of Hybrid and Electric Vehicles (FAME) initiative, implementation of BS-6 emission norms, Corporate Average Fuel Efficiency (CAFE) norms and formulation of end-of-life or scrappage policies. In the Automotive Mission Plan 2026, the government and industry have set a target to triple industry revenues to USD 300 billion and expand exports by seven-fold to USD 80 billion. Another major growth driver is the emergence of electric vehicles. Automotive and allied industries, including the glass industry, are expected to witness robustness in the coming years.

AIS's thrust on value-added products, strong brand equity and superior quality unique product range ensures it remains the first choice of its customers.

Architectural Glass

Architectural glass is the second major business segment, where the Company offers a wide range of end-to-end solutions for use in real estate construction. The Company supplies superior quality products with unique features finding a wide variety of applications, including pleasing aesthetics. It has a widespread distribution network spread across the country. Its portfolio includes a wide range of float glass, processed glass and other value-added products. Its product range includes heat reflective glass, energy-efficient reflective glass, solar control glass, uPVC windows, tempered burglar-proof glass, lacquered glass, frosted glass, sound resistant glass, impact resistant glass and many more products, in varied thickness, shades and other specifications.

Industry Structure and Development

As the after-effects of the implementation of RERA Act and GST slowly faded, residential demand and supply picked pace in 2018. This was further backed by various government initiatives

promoting affordable housing such as interest subsidy, tax rebate, increased and ease in FDI in real estate and construction sector implementation. As quality supply and credible developers establish their foothold in the market, the share of unsold inventory is expected to decline further. The recent liquidity crunch seen in Non-Banking Financial Companies (NBFCs) impacted a few developers and alternate sources of funding emerged. With a large number of global and domestic institutional companies looking to set up business in India, the commercial space is also witnessing robust growth. Glass is an integral material finding application in the real estate construction. AIS, thus, finds itself in a sweet spot with respect to growth in the construction sector.

Performance

With higher share of value-added products in overall segment sale, Architectural Glass division posted robust performance in FY 2018-19. The major highlights are:

- Net sales came in at ₹ 1,124.36 crores, as compared to ₹ 892.72 crores in FY 2017-18, registering a spectacular increase of 25.94%.
- Segment profits before interest came in at ₹ 131.29 crores as compared to ₹ 125.05 crores in FY 2017-18, registering an increase of 4.99%.

New products introduced during the year include:

- Nimbus, Harmony, Serene, Oasis under the Enhance category.
- Blueberry, Auralia under the Exceed category.
- Natura Advantage, Chroma Advantage, Electra Advantage under the Edge category.
- Clear Star, Green Star, Blue Star, Clear Marvel, Green Marvel, Blue Marvel under the Excel category.
- Restoration of AIS Clear Mirror in North Zone and AIS Bronze Mirror.

Operations

Operations remained smooth through the year. The Company is a well-known player in the glass space, led by its strong focus on product innovation and new value-added product development. During the year under review, the Company conducted a wide variety of customer meets and dealer engagement programs to promote products, receive industry insights and learn about latest technological developments.

A major highlight of the current year in this segment is the launch of new-age marketing tools such as mobile app and

VR app by the Company. The AIS Glass Simulator app helps in the creation of energy-efficient spaces and green buildings by scrutinizing various parameters to suggest the best energy-efficient glass solutions. The AIS World of Shades app lets the customers visualize the perfect glass colour scheme for their homes or offices from the comfort of their smartphones.

Outlook

In the wake of the continued drop in inflation and interest rates and favourable macro-economic sentiments, the RBI softened its stance on monetary tightening. Various policy measures undertaken in FY 2018-19 such as the launch of REIT, GST rate cuts for housing and removal of risk weights for NBFCs bode well for the housing sector. Similarly, the office segment is witnessing growing demand led by entrance of increasing number of foreign players, emergence of shared office spaces, new workplace formats and for smart buildings. The retail real estate demand is being fueled by growing international brand presence in malls, evolving formats of stores due to emergence of e-commerce, setting up of brick & mortar stores by online players and upsurge in Food & Beverage space, among others.

AIS is well prepared to take advantage of these emerging opportunities, with greater focus on eco-friendly, superior quality and aesthetically appealing value-added products. The Company's widespread presence, brand equity and innovative and huge portfolio will enable it to supply high quality architectural glass needed for these upcoming real estate segments.

Consumer Glass

Under the B2C Consumer Glass segment, the Company provides tailor-made solutions in the Automotive and Architectural Glass segments directly to customers. It leverages its expertise in B2B segments and product innovation to provide excellent interface to its customers with in-depth consultancy services. Operating through Windshield Experts, Glasxperts and AIS Windows as its subsidiaries, the Company offers customized solutions and services.

Windshield Experts

It provides repairing and replacement of windshields and other allied services for the automotive solutions. Incidentally, this happens to be the only Company in India for such solutions.

Glasxperts

A retail initiative in the Architectural Glass products segment, Glasxperts provide complete Glass, Window and Door solutions for safety & security, energy efficiency and acoustic needs. Its

team specializes in myriad of doors and windows solutions that includes slider windows, bay windows, sliding doors etc.

AIS Windows

A service providing initiative in the Architectural Glass segment, AIS Windows offers a host of glass window solutions which include - noise cancelling uPVC glass windows, burglar-resistant windows, energy-saving windows, air-tight windows and pollution-free windows. AIS Windows are produced with precision and are professionally installed.

Quality

With a view to comply with the highest international standards, quality is the key across all operations, products and processes at the Company. Total Quality Management (TQM) centered around high employee engagement and themes involving deep analysis, kobetsu, kaizen and PDCA are at the heart of the Company's day-to-day operations. Employee skill upgradation and strengthening of TQM culture are the Company's key focus areas. It is in a constant endeavour to enhance quality of its business operations.

Information Technology (IT)

The Company's IT division is single-handedly responsible for planning, developing and running information systems governing the daily business operations. To enhance efficiency and streamline its processes, the Company makes use of its IT expertise by increasing automation across all the plants and offices. The year under review witnessed improved efficiency, reduced operating costs and enhanced automation, led by IT development.

Risks

The Company faces several risks due to various uncertainties in external and internal factors. Prudent risk management system protect the Company and strengthen the business operations, as it is better prepared to face unforeseen challenges.

Human Resources

The Company believes that the key to excellent business results is an excellent talent pool. It values its human capital and provides them ample opportunities to grow. The Company ensures a safe, conducive and productive work environment across all plants and offices. It provides regular skill and personnel development training to enhance employee productivity. Employee engagement is encouraged through increasing participation in QC (quality control) circles, kaizen and other suggestion schemes. Leadership development is a major thrust area, involving grooming at the next level for managerial and leadership roles.

During the year under review, the Company considered the NEEM model for Skill India and Empowerment for the young professionals. This was a step in the direction towards Zero defect requirement from major OEMs suppliers.

To enhance intra-functional and inter-functional effectiveness, the Company strives to develop synergy across different functions. As a part of the TQM culture of developing and growing talent internally, the Company focuses on education and training infrastructure. These initiatives have been acknowledged by multiple awards from customers and prestigious HR forums.

Report of the Directors

To the Members,

The Directors are pleased to present their 34th Report along with the financial results of the Company for the year ended 31st March, 2019.

Financial Performance

The Company's financial performance for the year ended 31st March, 2019 is summarized below:

	(₹ Lakhs)	
Particulars	2018-19	2017-18

* excluding exceptional items.

Performance Overview

FY 2018-19 has been a satisfying year for AIS. Financial and operational performances have largely been close to budgets. Your Company managed to implement its plans and executed them more efficiently to post better results.

The net turnover of the Company stood at ₹ 2,85,851 Lakhs in 2018-19 as against ₹ 2,63,636 Lakhs in 2017-18. Operating Profit has increased 7.69% from ₹ 50,218 Lakhs in the previous year to ₹ 54,078 Lakhs in 2018-19. The Company posted a profit (PAT) of ₹ 19,007 Lakhs in 2018-19 against profit of ₹ 18,535 Lakhs in the previous financial year.

A detailed analysis of Company's operations in terms of performance in markets, business outlook, risks and concerns forms part of the Management Discussion and Analysis, a separate section to this Annual Report.

Change in the nature of business

During the year under review, there has been no change in the nature of business of the Company.

Further, no material changes and commitments have occurred between the end of the Financial Year and the date of the report affecting the financial position of the Company.

Subsidiaries and Associates

Pursuant to section 129 and other applicable provisions, if any, of the Companies Act, 2013, a separate statement containing salient features of financial statements of all subsidiaries and associates of your Company forms part of the financial statements.

The financial statements of subsidiaries & associate Companies and related information are available for inspection by Members at the Corporate Office of AIS as well as Registered Office of respective subsidiary and associate companies during business hours on all days except Saturdays, Sundays and public holidays upto the date of Annual General Meeting (AGM) to any shareholder on demand in accordance with the provisions of Section 136 of Companies Act, 2013.

The financial statements including the consolidated financial statements, financial statements of subsidiaries and all other relevant documents required to be attached to this report have been uploaded on website of the Company www.aisglass.com. A report on the performance and financial position of each of the subsidiary and associate companies as per Companies Act, 2013 is provided as Annexure to the consolidated financial statements in the prescribed Form AOC-1. During the Financial Year 2018-19, no Company has become or ceased to be Subsidiary, Joint Venture or Associate of the Company.

Material Subsidiaries

Pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (hereinafter referred to as "Listing Regulations"), the Company has formulated a policy for determining material subsidiaries. This policy is available on the Company's website and may be accessed through the link [https://www.aisglass.com/policy/Policy for Determining Material Subsidiaries.pdf](https://www.aisglass.com/policy/Policy%20for%20Determining%20Material%20Subsidiaries.pdf).

Awards

Your Directors take pleasure in reporting the following awards and recognitions received by your Company during the year:

From	Award
Honda	Trophy and Certificate: Gold Award in the Category of Cost 18-19 Trophy and Certificate: Winner Quality category at National level Kaizen Competition 2018-19, through Honda Cars India Supplier Club Trophy and Certificate: Winner EHS category at National level Kaizen Competition 2018-19, through Honda Cars India Supplier Club Certificate of Appreciation for Performance in Spare Parts "Delivery" Kaizen Award for Quality and EHS

SMG	Performance Award
Ashok Leyland	Award for Best Performance in Development
TKML	Award for Extraordinary Performance in Service Parts Supply Best Self Reliant Supplier (Project Management) - Year 2017 Certificate for achieving targets in the category of Delivery – Year 2017 Trophy and Certificate for Best Environment Promotion Supplier
Daimler	Certificate for Nomination in Excellence in Performance

Management Discussion and Analysis

A separate chapter on Management Discussion and Analysis forms part of this Annual Report.

Dividend

Your Directors are pleased to recommend a Final Dividend of ₹ 1 per equity share of face value of ₹ 1 each for the year ended 31st March, 2019.

The above dividend, subject to the approval of Members at the Annual General Meeting scheduled to be held on 6th August, 2019,

will be paid on or after 12th August, 2019 to those Shareholders whose names appear in the Register of Members as on 30th July, 2019. The total dividend for the Financial Year will be ₹ 2,431 Lakhs and Dividend Distribution Tax will be ₹ 495 Lakhs.

In accordance with Regulation 43A of the Listing Regulations, the Company has formulated a 'Dividend Distribution Policy'. The Policy is available on the Company's website www.aisglass.com and forms part of this report as **"Annexure A"**.

Reserves

The Board has not proposed to carry any amount to Reserves.

Public Deposits

During the FY 2018-19, your Company has not accepted any deposits within the meaning of Section(s) 73 and 76 of the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 and as such no amount of principal or interest was outstanding as on date of the Balance Sheet.

Consolidated Financial Statements

In accordance with the Companies Act, 2013 and the applicable Accounting Standards, the Consolidated Financial Statements of AIS are provided in the Annual Report.

Corporate Governance

A separate report on Corporate Governance along with the General Shareholders Information, as prescribed under Regulation 34 of Listing Regulations, is annexed as a part of the Annual Report along with the Auditor's Certificate on Corporate Governance.

Business Responsibility

Your Company has been conducting business from an Environmental, Social and Governance ("ESG") perspective that not only delivers long-term shareholder value but also benefits the society. The Business Responsibility Report as per Regulation 34 of the Listing Regulations is annexed and forms an integral part of the Annual Report.

Industrial Relations

During the FY under review, industrial relations in the company continued to be cordial and peaceful.

Extract of Annual Return

The details forming part of the extract of the Annual Return in Form MGT-9, in accordance with Section 92(3) of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014, available on Company's website www.aisglass.com and can be accessed through link <https://www.aisglass.com/extra-annual-return>.

Particulars of Loans, Guarantees or Investments

The details of loans, guarantees and investments under the provisions of section 186 of the Companies Act, 2013 are given at note nos. 4 and 5 of the Standalone Financial Statements.

Meetings of the Board and its Committees

The details in respect of the number of Board and Committees meetings of your Company are set out in the Corporate Governance Report which forms part of the Annual Report.

Audit Committee

Pursuant to the provisions of Section 177 of Companies Act, 2013, the Audit Committee consists of three Independent Directors - Mr. Rahul Rana as Chairman and Mr. Gautam Thapar & Ms. Shradha Suri as Members as on 31st March, 2019.

Board of Directors of the Company has duly accepted the recommendations of Audit Committee during FY 2018-19. Detailed disclosure in respect of Audit committee is in Corporate Governance Report of the Company which forms part of annual report.

Vigil Mechanism/ Whistle Blower Policy

The Company has established a Vigil Mechanism/ Whistle Blower Policy. The purpose of this mechanism is to provide a framework to report concerns about unethical behavior, actual or suspected fraud or violation of the Company's code of conduct or ethics policy and provide adequate safeguards against victimization of the person availing this mechanism. The Policy is available on Company's website www.aisglass.com/policies which has been appropriately communicated within the organisation and is effectively operational. The policy provides mechanism whereby whistle blower may send protected disclosures at complaintscommittee@aisglass.com and in exceptional cases, directly to the Chairman of Audit Committee.

Risk Management

AIS has developed and implemented a Risk Management Policy to identify and mitigate key risks that may threaten the existence of the Company.

Internal Financial Controls

Your Company has put in place adequate internal financial controls with reference to financial statements. Such system has been designed to provide for:

- Adoption of accounting policies in line with applicable accounting standards.
- Uniform accounting treatment is prescribed to the subsidiaries of your Company.

- Proper recording of transactions with internal checks and reporting mechanism.
- Compliance with applicable statutes, policies, management policies and procedures.

The management of your Company periodically reviews the financial performance against the approved plans across various parameters and takes necessary action, wherever required.

Your Company has its own Internal Audit department with qualified professionals which carries out periodic audits of all locations and functions. The observations arising out of the internal audits are periodically reviewed and its summary along with corrective action plans, if any, are submitted to top management and Audit Committee for review, comments and directions.

Directors and Key Managerial Personnel

Appointments, Re-appointments and Resignations

During the financial year, Mr. Sanjay Labroo (DIN: 00009629) was re-appointed as Managing Director & C.E.O. by the Board of Directors at its Meeting held on 12th February, 2019 to hold office up to 5 (five) consecutive years with effect from 19th February, 2019, in terms of the provisions of Section(s) 197, 198 read with relevant Rules made thereunder, Schedule V and other applicable provisions, if any, of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014, Regulation 17 of Listing Regulations, Article 80 of the Articles of Association and subject to approval of the Members, as Director in the capacity of Managing Director & C.E.O. at 34th AGM of the Company to be held on 6th August, 2019.

Mr. G. S. Talwar (DIN: 00559460) and Mr. Rahul Rana (DIN: 00476406), Independent Directors were appointed by the Members in their 29th Annual General Meeting held on 6th August, 2014 for a term of 5 (five) consecutive years. The Board of Directors recommends re-appointment of the aforementioned Directors for another term of 5 (five) consecutive years in the capacity of Independent Director to hold office up to 5 (five) consecutive years with effect from 6th August, 2019 in terms of the provisions of Section(s) 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 read with Schedule IV Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17 of Listing Regulations.

In accordance with the provisions of Section(s) 149, 152 and other applicable provisions, if any, of the Companies Act, 2013, read with Companies (Appointment and Qualification of Directors) Rules, 2014, Dr. Satoshi Ishizuka (DIN: 07692846) and

Mr. B. M. Labroo (DIN: 00040433), Directors, are liable to retire by rotation at the forthcoming Annual General Meeting and being eligible, offer themselves for re-appointment.

Mr. Eisuke Shiozaki (DIN: 07797863), Independent Director of the Company has resigned w.e.f. 22nd May, 2019 due to his permanent return to Japan and pursuant to Mr. Shiozaki's resignation, Mr. Yoji Taguchi (DIN: 01892369) has been appointed as an Additional Director w.e.f. 22nd May, 2019 in the capacity of Independent Director of for a term of 5 (five) consecutive years, subject to approval of Members in the forthcoming AGM in accordance with the provisions of Section(s) 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 read with Schedule IV Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17 of Listing Regulations.

Mr. Gautam Thapar (DIN: 00012289), Independent Director has resigned from the Company w.e.f. 23rd May, 2019 due to other pre-occupations and travel causing paucity of time for him to devote as an Independent Director of the Company.

Mr. E. Shiozaki and Mr. G. Thapar have confirmed that there were no other material reasons for their resignation apart from the reasons cited above.

Declaration of Independence

Your Company has received declaration from all the Independent Directors confirming that they meet the criteria of Independence as prescribed under Section 149(6) of Companies Act, 2013 read with Schedules and Rules made thereunder as well as Regulation 16 & 25 of the Listing Regulations. The details of the familiarization programme along with format of the letter of appointment provided to the Independent Directors at the time of appointment outlining his / her role, functions, duties and responsibilities have been uploaded on the website of the Company and may be accessed through the link: https://www.aisglass.com/policy/familiarisation_programmes_for_Independent_Directors.pdf.

Directors' Responsibility Statement

Pursuant to Section 134(5) of the Companies Act, 2013, the Directors hereby state and confirm that:

- (a) in the preparation of the annual accounts, the applicable Accounting Standards and Schedule III of the Companies Act, 2013 have been followed along with proper explanation relating to material departures;
- (b) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of

the state of affairs of the company as at 31st March, 2019 and of the profit and loss of the company for the Financial Year ended 31st March, 2019;

- (c) they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the annual accounts have been prepared on a going concern basis;
- (e) proper internal financial controls laid down by the Directors were followed by the company and that such internal financial controls are adequate and operating effectively; and
- (f) they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

Statement indicating the manner in which formal annual evaluation has been done

In terms of provisions of Companies Act, 2013 and Regulation 17 of the Listing Regulations, the Board has carried out the annual evaluation of its own performance and that of its Directors individually. The evaluation criteria as laid down by the Nomination and Remuneration Committee included various aspects of functioning of the Board such as composition, process and procedures including adequate and timely information, attendance, delegation of responsibilities, decision-making, roles and responsibilities including monitoring, benchmarking, feedback, stakeholder relationship and Committees.

The performance of individual Directors including the Chairman was evaluated on various parameters such as knowledge and experience, interest of stakeholders, time devoted etc. The evaluation of Independent Directors was based on aspects like participation in and contribution to the Board decisions, knowledge & experience and judgment.

Particulars of Remuneration

The information as required in accordance with Section 197(12) of the Companies Act, 2013, read with Rule 5(1), the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014, as amended may be obtained by any Member by writing to the Company Secretary at the registered office or the corporate office of the Company. However, as per the provisions of Section 136 of the Companies Act, 2013, the Report along with financial statements are being sent to all Members of the Company excluding the aforesaid information.

Board Diversity

The Company recognizes and embraces the importance of a diverse Board in its success. We believe that a truly diverse Board will leverage differences in thought, perspective, knowledge, skill, regional and industry experience, cultural and geographical background, age and gender, which will help us in retaining our competitive advantage. Your Board comprises of experts in the field of Finance, Law, Corporate Governance, Management and Leadership skills and also has a Woman Director on the Board.

Nomination and Remuneration Policy

The Nomination & Remuneration Policy as approved by the Board on recommendation of the Nomination & Remuneration Committee is available on website of the Company www.aisglass.com and can be accessed through link <https://www.aisglass.com/policies>.

Corporate Social Responsibility

In compliance with Section 135 of the Companies Act, 2013 read with the Rules made thereunder, the Company has formed Corporate Social Responsibility ("CSR") Committee. The policy on Corporate Social Responsibility as approved by the Board of Directors is uploaded on the website of the Company www.aisglass.com.

The CSR Committee has adopted a CSR Policy in accordance with the provisions of Section 135 of the Companies Act, 2013 and rules made thereunder. The details of the CSR initiatives undertaken by the Company during the FY 2018-19 in the prescribed format are annexed as "Annexure B".

Internal Complaints Committee

The Company has in place a Policy on Prevention of Sexual Harassment at Workplace in line with the requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and rules framed thereunder.

During the period under review, no complaints were received by the Internal Complaints Committee established under the Policy for Prohibition, Prevention and Redressal of Sexual Harassment of Women at Workplace of the Company.

Related Party Transactions

Transactions entered by the Company with related parties during FY 2018-19 were in the ordinary course of business and on arms' length basis. The Company has formulated a policy on Related Party Transactions which is available

at the website and can be accessed through link <https://www.aisglass.com/policy/Policy on Related Party Transactions.pdf>.

In terms of Section 134(3)(h) of the Companies Act and rules made thereunder, during the year under review, the Company has not entered into any contract / arrangement / transaction with related parties as per section 188(1) of the Companies Act, 2013, which could be considered material. The details of the related party transactions entered during the year are provided in the accompanying financial statements.

Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

The information relating to conservation of energy, technology absorption and foreign exchange earnings and outgo as required under section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014 is annexed as "Annexure C" to this Report.

Compliance of Secretarial Standards

The Company complies with all the applicable Secretarial Standards.

Auditor and Auditors' Report

Statutory Auditors

M/s. VSSA & Associates, Chartered Accountants (Firm Registration No. 012421N) were appointed as Statutory Auditors of AIS, for a term of 5 (five) consecutive years from conclusion of 32nd Annual General Meeting till the conclusion of 37th Annual General Meeting. Your Company has received confirmation from M/s. VSSA & Associates regarding their eligibility under Section 139 and 141 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014. As required under Regulation 33 of the Listing Regulations, the Auditors have also confirmed that they hold a valid certificate issued by the Peer Review Board of the Institute of Chartered Accountants of India.

Further, no fraud was reported by the auditors of the Company under Section 143(12) of the Companies Act, 2013.

Cost Auditor

Your Company had appointed M/s. Ajay Ahuja & Associates, Cost Accountants (Firm Registration No. 101142), as the Cost Auditors of your Company for FY 2018-19 to conduct audit of cost records of the Company. Cost Audit Report for the FY 2018-19 shall be filed with Ministry of Corporate Affairs.

As per Section 148 and other applicable provisions, if any, of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, 2014, your Company is required to maintain cost

accounts and records. The Board of Directors of your company on recommendation of the Audit and Risk Management Committee (re-constituted w.e.f. 1st April, 2019) has appointed M/s. Ajay Ahuja & Associates, Cost Accountants as the Cost Auditor of the Company for the FY 2019-20.

Your Company has received consent from M/s. Ajay Ahuja & Associates, Cost Accountants, to act as the Cost Auditor of your Company for the FY 2019-20 along with a certificate confirming their independence.

Secretarial Audit

In accordance with the provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, your Company had appointed Mr. Sundeep Kumar Parashar, FCS, Company Secretary in Practice and proprietor of M/s. SKP & Co., Company Secretaries, to conduct the Secretarial Audit of your Company for FY 2018-19. The Secretarial Audit Report for FY 2018-19 is annexed herewith as **"Annexure D"** to this Report.

Significant and Material Orders of Regulators or Courts or Tribunals

No significant and material order was passed by Regulators or Courts or Tribunals during the year under review impacting the going concern status of your Company and its future operations.

Acknowledgements

The Board hereby places on record its sincere appreciation for the continued assistance and support extended to the Company by its collaborators, customers, bankers, vendors, Government authorities and employees.

Your Directors acknowledge with gratitude the encouragement and support extended by our valued Shareholders.

Annexure A to Report of the Directors

DIVIDEND DISTRIBUTION POLICY

Preamble

This Dividend Distribution Policy ("Policy") has been formulated pursuant to the provisions of Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as applicable and amended from time to time.

Objective

The objective of this Policy is to lay down the basis and the factors to be considered for recommendation and / or declaration of dividend by the Board of Directors.

Applicability

This Policy shall apply to the issued share capital of the Company.

Criteria to be considered

1. Statutory and Regulatory Compliance: The Company shall ensure compliance with all statutory and regulatory provisions including Companies Act, 2013 read with rules, circulars, notifications etc., SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as applicable and amended from time to time.
2. Financial Parameters:
 - a) Financial performance including adequacy of profits;
 - b) Interim Dividend, if any;
 - c) Operating cash flows;
 - d) Working capital requirements;
 - e) Outstanding borrowings;
 - f) Capex requirements;
 - g) Such other factors as may be deemed fit by the Board.
3. Internal Factors:
 - a) Past performance and reputation of the Company;
 - b) Outlook and business expansion, diversification & growth plans;
 - c) Corporate actions including restructuring, acquisition, etc.;
 - d) Investments in subsidiaries, associates or otherwise;
 - e) Unforeseen events / Contingent liabilities, if any.
4. External Factors:
 - a) Statutory requirements including tax implications;
 - b) Macro-economic environment;
 - c) Market competition including viability.

Circumstances under which dividend may or may not be expected

The Board may not recommend and / or declare any dividend if there is any statutory/ regulatory restriction placed on the Company, including:

1. The need to conserve capital for future growth or other exigencies;
2. The profits are inadequate or the Company has reported a net loss;
3. Cash flow from operations is negative;
4. Other corporate actions, like buy-back of shares;
5. Any other circumstances that the Board deems fit.

In any of the above cases, the Board will provide the grounds for not recommending and/ or declaring dividend in the Annual Report of the Company.

Utilization of retained earnings

Subject to the discretion of the Board, the retained earnings may be utilized in a manner beneficial to the interests of the Company and its stakeholders, including:

1. Expansion plans;
2. Capital expenditure requirements;
3. Diversification of business;
4. General corporate purposes including contingencies;
5. Any other purpose as may be deemed appropriate.

Parameters for various class of shares

1. The payment of dividend shall be based on the respective rights attached to each class of shares.
2. Dividend shall be first paid to the preference shareholders, if any, as per their terms of issue and thereafter, on equity shares.
3. In case of other classes of shares, the Board of Directors may specify the parameters in conjunction to their terms of issue.

Disclosure

Adequate disclosures pertaining to this Policy shall be made in the Annual Report and on the website of the Company as required.

Amendments

1. The Board may review and amend this Policy as and when it deems necessary.
2. In case of any amendment(s), clarification(s), circular(s) etc. issued by the relevant authorities, not being consistent with the provisions laid down under this Policy, then such amendment(s), clarification(s), circular(s) etc. shall prevail upon the provisions hereunder and this Policy shall stand amended accordingly from the effective date of such amendment(s), clarification(s), circular(s) etc.

Annexure B to Report of the Directors

Annexure C to Report of the Directors

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

1. Conservation of Energy:

- (i) Conservation of Energy is the top agenda of Management. The manufacturing units have continued their efforts to reduce energy consumption by continuous monitoring, improvement in maintenance and distribution systems and through improved operational techniques. Introduction of energy efficient equipments and new efficient technologies has helped AIS to reduce the energy demand and boost savings.

- (ii) Apart from regular practices and measures to reduce the energy conservation and CO2 emissions, many new initiatives were driven across the units.

Some of the key measures taken are as follows:

- a) Optimizing heating conditions of furnace at Bawal Plant;
 - b) Revamping of autoclaving unit and replacement of halogen lamps by CFL / LED lamps at Taloja Plant;
 - c) Air cooler chiller replaced with water cooler chiller at Taloja Plant;
 - d) Timer provided in AC's with cut off to eliminate wastage of energy at Chennai Plant; and
- (iii) AIS is continuously investing in various new technologies to reduce energy consumption to minimize carbon footprints. AIS has done capital investment of around ₹ 284 lakhs during FY 2018-19 for energy conservation.

2. Technology absorption:

- (i) **Efforts, in the brief, made towards technology absorption, adaptation and innovation.**

In order to be at par with latest global technology, we at AIS keep ourselves closely engaged with AGC with continuous exchange of information in form of technology collaboration/ licensing. Our team is involved in the visit to various exhibitions, seminars

and visit to other plants at different locations within India and outside India. Technical team is working with the Japanese experts for the learning and innovative solutions.

- (ii) **Benefit derived as a result of above efforts e.g. product improvement, cost reduction, product development, import substitution etc.**

- a) With all the efforts, we are armed with latest technology in our Product, Glass Processing Equipments, Manufacturing Process and Management System. Your Company continued to develop new products due to these efforts.
- b) Enhanced Customer satisfaction.
- c) Engineering team motivation and retention has enhanced.

- (iii) **Technology Imported (during the last three years reckoned from the beginning of the Financial Year)- N.A.**

- (iv) **Expenditure incurred on Research and Development**

During the year, the Company spent approx. ₹ 105 lakhs towards Research, Design and Development expenses on various new products and production technologies.

- (v) **Foreign Exchange Earnings and Outgo**

During the year Foreign Exchange outflow amounted to ₹ 92,159 lakhs (₹ 78,972 lakhs) and Earnings in Foreign Currency amounted to ₹ 3,099 lakhs (₹ 996 lakhs).

Annexure D to Report of the Directors

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED ON 31st MARCH, 2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Asahi India Glass Limited
CIN: L26102DL1984PLC019542

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practices by **Asahi India Glass Limited** (hereinafter called "**the Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019, according to the provisions of:

1. The Companies Act, 2013 ("**the Act**") and the rules made thereunder, as applicable;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), wherever applicable :-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - c) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - g) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
 - h) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; and
 - i) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India.

- (ii) The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance except wherever a meeting was duly called on shorter notice as per the prescribed procedure, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting Members' views are captured and recorded as the part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company has not undertaken such events as public, rights or preferential issue of shares, debentures or sweat equity; redemption or buy-back of securities; major decision by the Members in pursuance to Section 180 of the Companies Act, 2013, merger, amalgamation or reconstruction; Foreign Technical Collaboration or any other like event(s)/ action(s) having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

The Company does not publish a separate BR or a Sustainability Report. However, a newsletter, "Reflections" is circulated internally which contains the details of monthly CSR activities undertaken by the Company.

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1

1. **Does the policy relating to ethics, bribery and corruption cover only the company? Yes/No. Does it extend to the Group/ Joint Ventures/Suppliers/Contractors/NGOs/Others?**

The policy relating to ethics, bribery and corruption extends to the entire AIS group.

2. **How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.**

No complaints were received.

Principle 2

1. **List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

- (a) AIS Eco Sense Range of Glasses : Energy Efficient Reflective Glass
- (b) AIS SunShield Heat Reflective Glass

2. **For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):**

- (a) **Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?**

- (b) **Reduction during usage by consumers (energy, water) has been achieved since the previous year?**

The nature & volumes of business of the Company does not make it feasible.

3. **Does the company have procedures in place for sustainable sourcing (including transportation)?**

- (a) **If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.**

The nature & volumes of business of the company does not make it feasible.

4. **Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?**

- (a) **If yes, what steps have been taken to improve their capacity and capability of local and small vendors?**

The nature & volumes of business of the Company does not make it feasible.

5. **Does the company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%)? Also, provide details thereof, in about 50 words or so.**

Yes, AIS has a very well established mechanism to recycle waste generated. Details of some of the waste are mentioned below:

- Recycling of broken glass pieces (cullet).
- Waste water recycling
- Paper recycling
- Recycling of the waste/used oil
- Waste Wood recycling

Principle 3

1. Please indicate the Total number of employees.

7175

2. Please indicate the Total number of employees hired on temporary/contractual/casual basis.

4181

3. Please indicate the Number of permanent women employees.

111

4. Please indicate the Number of permanent employees with disabilities.

0

5. Do you have an employee association that is recognized by management

The Company has unions & works committee at manufacturing location for the workers.

6. What percentage of your permanent employees is members of this recognized employee association?

All permanent workers are members of these unions and works committee.

7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

No.	Category	No. Category No. of complaints filed during the year	No. of complaints pending as on end of the FY
1	Child labour/ forced labour/ involuntary labour	Nil	NA
2	Sexual harassment	Nil	NA
3	Discriminatory employment	Nil	NA

8. What percentage of your under mentioned employees were given safety & skill Upgradation training in the last year?

(a) Permanent Employees	92%
(b) Permanent Women Employees	95%
(c) Casual/Temporary/Contractual Employees	100%
(d) Employees with Disabilities	N.A.

Principle 4

1. Has the company mapped its internal and external stakeholders? Yes/No

Yes, the internal and external stakeholders of the Company are employees, vendors, customers, shareholders, partners, regulatory authorities and local community.

2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders

The Company considers the local community around its manufacturing locations as a vulnerable stakeholder.

3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders? If so, provide details thereof, in about 50 words or so.

The Company carries out various CSR initiatives for the upliftment / growth & development of people living in the villages around its manufacturing facilities.

Principle 5

1. Does the policy of the company on human rights cover only the company or extend to the Group/ Joint Ventures/ Suppliers/ Contractors/ NGOs/ Others?

The Company does not have a separate human right policy. However, these factors are covered under various HR Policies of the Company.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

The Company has not received any complaints from any stakeholders pertaining to human rights.

Principle 6

1. Does the policy related to Principle 6 cover only the company or extends to the Group/ Joint Ventures/ Suppliers/ Contractors/ NGOs/others?

The Environmental Policy covers AIS & its group companies

2. **Does the company have strategies/initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.**

To address environmental issues, company has initiatives such as:

- Energy conservation projects
- Renewable energy projects
- Measures to check and control the pollutants discharged into environment
- Miyawaki Afforestation System
- Eco Manufacturing System
- ZLD System for water treatment

3. **Does the company identify and assess potential environmental risks? Y/N**

Yes

4. **Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?**

Not feasible/applicable as per nature of business/product

5. **Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc.? Y/N. If yes, please give hyperlink for web page etc.**

- Energy Saving initiative across AIS plants through cross functional Task Groups
- Use of energy efficient electrical equipment (such as LED bulb instead of fluorescent lamp)
- Optimize usage of renewable energy through solar power plant commissioning.

6. **Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?**

Yes

7. **Number of show cause/legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.**

Nil

Principle 7

1. **Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:**

Yes, the Company is a member of the following associations / bodies:

- ACMA
- AIGMF
- PHD Chambers of Commerce and Industry
- CII

Code of Conduct

AIS's Board has adopted a Code of Conduct for Members of the Board and Senior Management ("Code"). The Code lays down, in detail, the standards of business conduct, ethics and governance.

A copy of the Code has been posted on the Company's website www.aisglass.com.

The Code has been circulated to all Members of the Board and Senior Management and compliance of the same has been affirmed by them. A declaration signed by the Managing Director & C.E.O. to this effect is given below:

I hereby confirm that:

The Company has obtained from all the Members of the Board and Senior Management an affirmation that they have complied with the Code of Conduct in the financial year 2018-19.

S. Labroo

Managing Director & C.E.O.

Separate Independent Directors Meeting

Independent Directors are required to hold and attend a separate meeting in accordance with the provisions of Listing Regulations. The Independent Directors met one time during the financial year ended 31st March, 2019 on 12th February, 2019 and *inter alia*, discussed:

- the performance of Non-Independent Directors and the Board of Directors as a whole;
- the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-executive Directors; and
- assess the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

In addition to the formal meeting, interactions outside the Board Meetings also take place between the Chairman and Independent Directors.

Familiarisation Programme for Independent Directors

The provision of an appropriate induction programme for new Directors is a part of corporate governance standards of AIS. The Independent Directors, from time to time, request Management to provide details related to any activity, project or process of the Company. The management provides such information and training either at the meeting of Board of Directors or otherwise. The details of Familiarisation Programme for Independent Directors can be accessed through the link https://www.aisglass.com/policy/familiarisation_programmes_for_Independent_Directors.pdf.

Committees of the Board

AIS has four Board Committees – Audit Committee, Nomination and Remuneration Committee, Stakeholders' Relationship Committee and Corporate Social Responsibility Committee.

Details regarding the role and composition of the Board Committees, including the number of meetings held during the financial year 2018-19 and attendance of the Members are provided below:

Nomination and Remuneration Committee

Terms of Reference

The Nomination and Remuneration Committee has been constituted to formulate the criteria for determining qualifications, positive attributes, independence of a Director, criteria for evaluation of Independent Director and Board, policy on Board diversity and reviewing and recommending to the Board a policy relating to the remuneration of Directors, Key Managerial Personnel and other employees. Such recommendations are made considering the overall performance and annual financial results of the Company. Further the Committee will also identify and recommend to the Board, persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment and removal and shall carry out evaluation of every Director's performance.

Composition, Meetings & Attendance of the Committee

The Nomination and Remuneration Committee comprises of three Non-executive Directors, two of them are Independent Directors. The Composition of the Nomination and Remuneration Committee is in compliance with the provisions of Section 178 of the Companies Act, 2013 and Regulation 19 of the Listing Regulations. The Committee met two times during the financial year on 22nd May, 2018, and 12th February, 2019. The composition and attendance of the Nomination and Remuneration Committee is as follows:-

Name of Members	Category	Status	Number of Meetings	
			Held	Attended
Mr. G. Thapar	Independent	Chairman	2	2
Mr. B. M. Labroo	Promoter, Non-executive	Member	2	2
Mr. R. Rana	Independent	Member	2	1

During the financial year 2018-19, the Company did not issue any stock options to its Directors and employees.

Mr. Gopal Ganatra, Executive Director, General Counsel & Company Secretary acts as the Secretary to the Nomination and Remuneration Committee.

Performance Evaluation Criteria for Independent Directors

Pursuant to the provisions of the Companies Act, 2013 and Regulation 17(10) of the Listing Regulations, the Company has devised a mechanism for performance evaluation of

Independent Directors, Board, Committees and other Directors which include criteria for performance evaluation of the Non-executive Directors and Executive Directors.

The criteria for performance evaluation cover the areas relevant to the functioning as Independent Directors such as preparation, participation, conduct and effectiveness. The performance evaluation of Independent Directors is done by the entire Board of Directors and in the evaluation the Directors who are subject to evaluation do not participate.

In developing the methodology to be used for evaluation, on the basis of best standards and methods meeting international parameters, the Board/ Committee may take the advice of an Independent Professional Consultant.

Nomination and Remuneration Policy

The Nomination & Remuneration Policy as approved by the Board on recommendation of the Nomination & Remuneration Committee is available on website of the Company www.aisglass.com/policies.

Remuneration to Directors

Managing Director & C.E.O. and other Executive Directors are paid remuneration by way of salary, benefits, perquisites & allowances (fixed component) and commission (variable component) on the net profits of the Company. The annual increments are as per the salary scale approved by the Members and are effective from 1st April of each year.

The commission payable to the Managing Director & C.E.O. and other Executive Directors is decided by the Board, on recommendations of Nomination and Remuneration Committee and within the limits sanctioned by the Shareholders.

Non-executive Directors are paid sitting fees for attending the meetings of the Board and its Audit and Nomination & Remuneration Committees and the commission on net profits of the Company as approved by the Board within the overall limits sanctioned by the Shareholders.

There has been no pecuniary relationship or transaction of the Non-executive Director vis-a-vis the Company during the year except sitting fees paid to them as detailed above.

The details of remuneration paid/ payable to the Directors for the financial year 2018-19 are given below:

Independent Auditors' Certificate Regarding Compliance of Conditions of Corporate Governance

To the Members of Asahi India Glass Limited,

We have examined the compliance of conditions of Corporate Governance by Asahi India Glass Limited for the year ended on 31st March, 2019 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V to the Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations").

Management's Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by The Institute of Chartered Accountants of India (The ICAI), the Standards on

Auditing specified under Section 143 (10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by The ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by The ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, quality control for firms that perform audits and reviews of Historical Financial Information and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations, as applicable for the year ended March 31, 2019, as referred to in paragraph 1 above.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

To the Members of

Asahi India Glass Limited

Report on the audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the Standalone Ind AS Financial Statements of Asahi India Glass Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019 and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by The Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of

the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and

to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures and whether the Standalone Ind AS Financial

Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outway the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report), Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors, as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019, from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS Financial Statements - refer Note 39 to Standalone Ind AS Financial Statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to the Independent Auditors' Report on the Ind AS Financial Statements of Asahi India Glass Limited

(Referred to in paragraph 1 under Report on other Legal and Regulatory Requirements of our Report of even date)

- i. a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) The Company has a regular program of physical verification of its fixed assets through which all fixed assets are verified, in a phased manner over a period of three years. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. As informed to us, no material discrepancies were noticed on such verification.
- c) The title deeds of immovable properties are held in the name of the Company.
- ii. The inventories except goods in transit have been physically verified by the management at reasonable intervals during the year, and no material discrepancies were noticed on physical verification.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 as per information and explanations given to us. Consequently the provisions of clauses 3(iii)(a), (iii)(b) and (iii)(c) of the Order are not applicable.
- iv. In our opinion and according to the information and explanations given to us, in respect of investments, guarantees and security provisions of Section 185 and 186 of the Companies Act, 2013 have been complied with.
- v. As per information and explanations given to us, the Company has not accepted any deposits from the public under Section 73 to 76 of the Companies Act, 2013 and hence the provisions of clause 3 (v) of the Order are not applicable.
- vi. We have broadly reviewed the records maintained by the Company pursuant to the Rules prescribed by the Central Government for maintenance of cost records under Sub Section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However, we
- are not required to and have not carried out any detailed examination of such accounts and records.
- vii. a) According to the information and explanations given to us and the records of the Company examined by us, the Company has been generally regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs, Goods and Services Tax, Cess and other statutory dues with the appropriate authorities during the year. We are informed that there are no undisputed statutory dues as at the year end, outstanding for a period of more than six months from the date they become payable.
- b) According to the information and explanations given to us there are no dues of Income Tax, Goods and Services Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax as on 31st March, 2019 which have not been deposited with the appropriate authorities on account of any dispute other than those mentioned below:-

Nature Of dues	Amount (₹ Lakhs)	Period to which amount relates	Forum where the dispute is pending
Sales Tax/VAT	970	2002-03 and 2003-04	High Court
Sales Tax/VAT	3933	2006-07, 2007- 08, 2011-12 to 2014-15	Deputy/Joint Commissioner/ VAT Tribunal
Excise Duty and Service Tax	4117	2002-03 to 2015-16	Commissioner of Central Excise/Service Tax/ Additional Director General/CESTAT
Others	15		Commissioner Customs

- viii. According to the records of the Company examined by us and on the basis of information and explanations given to us, the Company has not defaulted in repayment of dues to

banks, financial institutions and Government. The Company has not obtained any borrowings by way of debentures.

- ix. In our opinion and according to the information and explanations given to us, term loans have been applied for the purpose for which they were raised. The Company has not raised any monies by way of initial public offer or further public offer (including debt instruments).
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of clause (xii) of the Order are not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us all transactions with the related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable. The details of such related party transactions have been disclosed in the

Ind AS Financial Statements as required by the applicable accounting standards.

- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, provisions of clause 3(xiv) of the Order are not applicable to the Company.
- xv. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with them and hence provisions of clause 3(xv) of the Order are not applicable to the Company.
- xvi. In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditors' Report of even date on the Standalone Financial Statements of Asahi India Glass Limited

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Asahi India Glass Limited ("the Company") as of 31st March, 2019 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India ("The ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by The Institute of Chartered Accountants of India and the standards on auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls

system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal

financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March,

2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statements for the Year Ended 31st March, 2019

1A. Corporate Information

Asahi India Glass Limited ("the Company") is a public limited Company incorporated in India with its Registered Office at Delhi and is listed on the Bombay Stock Exchange Limited (BSE) and the National Stock Exchange of India Limited (NSE). The Company is engaged inter alia, in the business of manufacturing of Auto Glass, Float Glass and other value added Glasses.

1B. Significant Accounting Policies

The significant accounting policies applied by the Company in the preparation of its Financial Statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these Financial Statements.

(a) Statement of Compliance

The Financial Statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") including the rules notified under the relevant provisions of the Companies Act, 2013.

(b) Basis for Preparation & Presentation

The Financial Statements have been prepared under the historical cost convention on accrual basis with the exception of certain assets and liabilities carried at fair values. The Assets and Liabilities have been classified as Current/Non Current as per the Companies normal operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current/Non Current classification of assets and liabilities.

The principal accounting policies are set out below.

(c) Property, Plant and Equipment-Tangible Assets

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing

the assets to its working condition for its intended use, net changes on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation Method and Estimated Useful Life

Depreciation is provided on the straight line method over the estimated useful life of the assets as prescribed under the Schedule II to the Companies Act 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II (based on technical evaluation):

- | | | |
|-------|--|----------|
| i. | Carpeted roads-other than RCC - Auto SBU | 15 years |
| ii. | Carpeted roads-other than RCC - Float SBU | 25 years |
| iii. | Fences (Boundary Walls) - Float SBU | 25 years |
| iv. | Plant and Equipments | |
| | a) Tooling, Utility, Forklifts, Testing Equipments | 20 years |
| | b) Continuous Process Plant and Electrical Installations forming part thereto | 18 years |
| | c) Float Glass Melting Furnace | 15 years |
| | d) Other parts of Plant and Equipments (where cost of a part asset is significant to total cost of the asset) | 25 years |
| v. | Electrical Installations- Auto SBU | 25 years |
| vi. | Leasehold Land and improvements are depreciated over the period of lease. | |
| vii. | Plant & Equipment not represented by physical assets owned by the Company are amortized over a period of 5 years | |
| viii. | Gains and losses on disposals are determined by comparing proceeds with carrying amount and such | |

gains or losses are recognized as income or expense in the Statement of Profit and Loss.

- ix. Cost of items of Property, Plant and Equipment not ready for intended use as on the Balance Sheet date is disclosed as capital work in progress. Advances given towards acquisition of Property, Plant and Equipment outstanding at each Balance Sheet date are disclosed as Capital Advance under Other Non Current Assets.

(d) Intangible Assets and Amortization

Intangible assets are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated amortization and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are recognized as income or expense in the Statement of Profit and Loss.

Cost of items of intangible assets not ready for intended use as on the Balance Sheet date is disclosed as intangible assets under development.

Amortization Method and Estimated Useful Life

Amortization is charged on a straight line basis over the estimated useful life. The estimated useful life and amortization method are reviewed at the end of each annual reporting period with the effect of any changes in the estimate being accounted for on a prospective basis.

(e) Impairment

Tangible and Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(f) Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Amounts due from lessees under finance leases are recognized as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

Rental expenses from operating leases is recognized on straight line basis over the term of the relevant lease unless the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase where such increases are recognized in the period in which such benefits accrue.

(g) Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument. Since the transaction price does not differ significantly from the fair value of the financial asset or financial liability, the transaction price is assumed to be the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase and sale of financial assets are recognized using trade date accounting.

i. Financial Assets

Financial assets include Trade Receivables, Advances, Security Deposits, Cash and Cash Equivalents etc which are classified for measurement at amortized cost. The Company accounts its investments in subsidiaries and associates at cost. However, all other equity investments are measured at fair value, with value changes recognized through "Other Comprehensive Income."

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Impairment:

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

De-Recognition:

Financial assets are derecognized when the right to receive cash flow from the assets has expired, or has been transferred and the Company has transferred substantially all of the risks and rewards of ownership.

Income Recognition:

Interest income is recognized in the Statement of Profit and Loss using the effective interest method. Dividend income is recognized in the Statement of Profit and Loss when the right to receive the same is established.

ii. Financial Liabilities:

Borrowings, Trade Payables and other Financial Liabilities are initially recognized at the value of the respective contractual obligations. They are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

De-Recognition:

Financial Liabilities are derecognized when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

(h) **Inventories**

Inventories are valued at lower of cost and net realizable value except waste which is valued at estimated realizable value as certified by the management. The basis of determining cost for various categories of inventories are as follows:

Stores, Spare Parts, Packing Materials and Raw Materials	Weighted moving average method except stores segregated for specific purposes and materials in transit valued at their specific cost.
Work in Progress and Finished Goods	Material cost plus appropriate share of production overheads.
Stock in Trade	First in First Out method based on actual cost.

(i) **Revenue**

Revenue is recognized when the performance obligation is satisfied by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the Government. Interest income is accrued on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable. Rental income from investment properties is recognized on a straight line basis over the term of the relevant leases. Income from services is accounted over the period of rendering of services.

(j) **Foreign Currency Transactions**

i. Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The Standalone Financial Statements are presented in Indian Rupee (INR) which is Company's functional and presentation currency.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss except on transactions entered into to hedge certain foreign currency risks.

Exchange gains or losses on foreign currency borrowings taken prior to 1st April, 2017 which are related to the acquisition or construction of qualifying assets are adjusted in the carrying cost of such assets.

Exchange Fluctuations on other long term foreign currency monetary items prior to above date are accumulated in Foreign Currency Monetary Item Translation Difference Account.

ii. Derivative Financial Instruments

In the ordinary course of business, the Company uses certain financial instruments to reduce business risks which arise from its exposure to foreign exchange rate risks, commodity price risks and interest rate fluctuations. The instruments are confined mainly to forward contracts, certain other derivative financial instruments and interest rate swaps.

Derivatives are initially accounted for and measured at fair value from the date derivative contract is entered into and subsequently remeasured to their fair value at the end of each reporting period.

(k) Cash and Cash Equivalents

For the purpose of presentation in the statement of Cash Flows, Cash and Cash Equivalents includes cash in hand, cheques/drafts in hand, demand deposits with banks, short term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Book overdrafts are shown within Other Financial Liabilities in the Balance Sheet and form part of Cash and Cash Equivalents in the Cash Flow Statement.

(l) Taxes on income

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of Profit and Loss because some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The Company's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date.

Current tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against

current tax liabilities and when they relate to income taxes levied by the same taxation authority.

The Company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax arising from temporary differences between the carrying amounts of assets and liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred income tax assets and liabilities are off set against each other and the resultant net amount is presented in the Balance Sheet if and only when the Company currently has a legally enforceable right to set off the current income tax assets and liabilities.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in Other Comprehensive Income or directly in equity. In this case the tax is also recognized in Other Comprehensive Income or directly in equity respectively.

(m) Employee Benefits

i. Short Term Employee Benefits

Short term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii. Post Employment Benefits Defined Contribution Plans

The Company's defined contribution plans are superannuation and employees provident fund, Employee State Insurance/Labour Fund and employees pension scheme (under the provisions of

the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) since the Company has no further obligation beyond making the contributions. The Company's contributions to these plans are charged to the Statement of Profit and Loss as incurred.

Defined Benefits Plans

Liability for defined benefit plans is provided on the basis of valuations as at the Balance Sheet date, carried out by an independent actuary.

Gratuity

The gratuity fund benefits are administered by a Trust recognized by Income Tax Authorities through Group Gratuity Schemes. The liability for gratuity at the end of the each financial year is determined on the basis of actuarial valuation carried out by the independent Actuary. The method used for measuring the liability for gratuity is Projected Unit Credit Method. Actuarial gains and losses are recognized in the Statement of Other Comprehensive Income in the period of occurrence of such gains and losses. The obligations for gratuity are measured at the present value of estimated future cash flows discounted at rates reflecting the prevailing market yields of Indian Government securities as at the Balance Sheet date for the estimated term of the obligations. The estimate of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors. The expected rate of return of plan assets is the Company's expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations. Plan assets are measured at fair value as at the Balance Sheet date.

iii. Other Long Term Benefit Plans

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the Projected Unit Credit Method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other Comprehensive Income.

iv. The expenditure on voluntary retirement scheme is charged to the Statement of Profit and Loss in the year in which it is incurred.

(n) Investments in Subsidiaries

Investments in subsidiaries are long term and are carried at cost less impairment loss, if not temporary, in the separate Standalone Financial Statements.

(o) Earnings Per Share

Basic Earnings Per Share is calculated by dividing the profit for the period attributable to the owners of Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the Company and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(p) Non Current Assets held for Sale

Non Current Assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less cost to sell.

Non Current Assets are not depreciated or amortized while they are classified as held for sale.

Non Current Assets classified as held for sale are presented separately from the other assets in the Balance Sheet.

(q) Exceptional Items

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the Company for the year, the Company makes a disclosure of the nature and amount of such items separately under the head "Exceptional Items."

(r) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The Managing Director and Chief Executive Officer of the Company has been identified as

CODM and responsible for allocating the resources, assess the financial performance of segments and position of the Company and makes strategic decisions.

The Company has identified two reportable segments "Automotive Glass" and "Float Glass" based on the information reviewed by the CODM. Refer note 40 for "Segment Information" presented.

(s) Provisions and Contingent Liabilities

A provision is recognized if as a result of a past event, the Company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate the risks specific to the liability. The increase in the provision due to passage of time is recognized as an interest expense.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the Standalone Financial Statements. However, when the realization of income is virtually certain then the related asset is not a contingent asset and its recognition is appropriate.

(t) Research and Development

Research costs are expensed as incurred. Product development costs are capitalised when technical and commercial feasibility of the products is demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sale the products and costs can be measured reliably. In other cases such development costs are taken to the Statement of Profit & Loss. The costs which can be capitalised include the cost of material, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use.

(u) Rounding of Amounts

All amounts disclosed in the Standalone Financial Statements and accompanying notes have been rounded

off to the nearest lakhs as per the requirement of Schedule III of the Companies Act, 2013 unless otherwise stated.

(v) Dividends

Dividend proposed (including income tax thereon) is recognized in the period in which interim dividends are approved by the Board of Directors or in respect of final dividend when approved by shareholders.

(w) Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(x) Use of Estimates and Critical Accounting Judgements

The preparation of Financial Statements is in conformity with Generally Accepted Accounting Principles which requires management to make estimates and assumptions.

The estimates and the associated assumptions are based on historical experience, opinions of experts and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgements and estimates are made in areas relating to useful life of Property, Plant and Equipment, impairment of Property, Plant and Equipment, Investments, actuarial assumptions relating to recognition and measurement of employee defined benefit obligations and recognition of provisions and exposure of contingent liabilities relating to pending litigations or other outstanding claims etc.

1C. Standards issued but not yet effective

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2019 on 30th March, 2019. The Rules propose amendments to Ind AS 12, Ind AS 19, Ind AS 23, Ind AS 28, Ind AS 103, Ind AS 109 and Ind AS 111 which are applicable for annual reporting periods beginning on or after 1st April, 2019. The Company does not expect any material impact on its financial statements due to above amendments. Ind AS 116 regarding "Leases" though notified is applicable with effect from 1st April, 2019.

Description of Reserves

- (a) **Capital Reserve:** Capital Reserve represents reserve of the Company which is not available for distribution as dividend.
- (b) **Capital Redemption Reserve:** Capital Redemption Reserve is reserve created on redemption of preference shares.
- (c) **Securities Premium:** Securities Premium represents excess amount received by the Company over the face value of its share to be utilized for specific purposes only as per Section 52 of the Companies Act, 2013.
- (d) **Amalgamation Reserve:** Amalgamation Reserve is reserve created on amalgamation of erstwhile Float Glass India Ltd. with the Company.
- (e) **General Reserve:** General Reserve is free reserve of the Company which is kept aside out of Company's profits to meet future requirements as and when they arise. The Company had transferred a portion of the Profit After Tax to General Reserve pursuant to earlier provisions of the Companies Act, 1956. Mandatory transfer to General Reserve is not required under the Companies Act, 2013.
- (f) **Retained Earnings:** Retained Earnings are the accumulated profits of the Company after reduction of dividend and Income tax on dividend.
- (g) **Other Reserves - FVOCI:** Other Comprehensive Income represents actuarial gain/loss on remeasurement of defined benefit obligation and fair valuation of Investments.

Total	282199	5702	287901	262868	3341	266209

- The Company's Operating Segments are established on the basis of the information that is evaluated by the "Chief Operating Decision Maker" as defined in Ind AS 108 - Operating Segments in deciding how to allocate resources and in assessing performance. The segments have been identified taking into account nature of products and services, production processes, risks and returns and the internal business reporting systems.
- For management purposes, the Company is organised into two major operating divisions - Automotive Glass and Float Glass. These divisions are the basis on which the company reports its primary segment information.
- All segment assets and liabilities are directly attributable to the segment. Segment assets include all operating assets used by the segment and consist primarily of fixed assets, inventories, trade receivables, loans and advances and operating cash and bank balances. Segment liabilities include all operating liabilities and consist primarily of creditors and accrued liabilities. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as unallocable.
- Segment revenues and segment results include transfers between business segments. Pricing is decided by marketing and logistics department.
These transfers are eliminated on consolidation.
- Joint expenses are allocated to business segments on a reasonable basis. All other revenues and expenses are directly attributable to the segments. They do not include interest income on inter corporate deposit and interest expense.
- There are no non current assets located outside India.
- Revenue derived from a single external customer amounting to more than 10% of the entity's revenue attributable to Automotive glass segment - ₹55595 Lakhs (Previous Year ₹ 56378 Lakhs)

41. Financial Risk Management

The Company's activities expose it to foreign currency risk, liquidity risk, interest rate risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts and foreign currency/commodity swaps are entered into by the Company to hedge certain foreign currency and commodity exposure. Derivatives are used exclusively for hedging and not as trading or speculative instruments.

The Company is exposed to the following risks from its use of financial instruments:

- Credit Risk
- Liquidity Risk
- Foreign Currency Risk
- Interest Rate Risk

(a) Credit Risk

Credit risk arises from the possibility that the counter parties may not be able to settle their obligations. To manage trade receivables, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, economic trends, analysis of historical bad debts and ageing of such receivables.

(i) Exposure to Credit Risk

The carrying amount of financial assets represent the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

(₹ Lakhs)

Particulars	As At	As At
	31st March, 2019	31st March, 2018
Financial Assets for which Loss Allowance is measured using 12 months Expected Credit Losses		
Non-Current Investments	4526	4638
Non-Current Loans	2558	1828
Other Non-Current Financial Assets	53	121
Trade Receivables	37995	42400
Cash and Cash Equivalents	1961	1621
Bank Balances other than Cash and Cash Equivalents	114	34
Current Loans	171	297
Current Tax Assets (Net)	-	131
Other Current Financial Assets	16013	14220
	63391	65290

(ii) **Ageing Analysis of Trade Receivables**

The ageing analysis of the trade receivables is as below:

Particulars	Ageing			Total
	Not due	Less than Six Months	More than Six Months	
Gross Carrying Amount As At 31st March, 2019	17303	6485	14207	37995
Gross Carrying Amount As At 31st March, 2018	24398	5544	12458	42400

(iii) **Reconciliation of Impairment Loss Provisions**

The movement in the allowance for impairment in respect of financial assets during the year was as follows:

Particulars	Trade Receivables	Loans	Advances	Others	Total
Balance as at 1st April, 2018	164	-	-	-	164
	(4)	-	-	-	(4)
Impairment Loss Recognized	102	-	-	-	102
	(200)	-	-	-	(200)
Amounts Written Off	-	-	-	-	-
	(40)	-	-	-	(40)
Balance As At 31st March, 2019	266	-	-	-	266
	(164)	-	-	-	(164)

Based on historic default rates, the Company believes that, apart from the above, no impairment allowance is necessary in respect of any other assets as the amounts are insignificant. The figures in bracket are in respect of previous year.

(b) **Liquidity Risk**

Liquidity risk refers to the risk to meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure funds are available for use as per the requirements.

The Company has an appropriate liquidity risk management framework for the management of short, medium and long term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate cash reserves, banking facilities and reserve borrowing facilities by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

(i) Financing Arrangements

The Company has access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ Lakhs)

Particulars	As At 31st March, 2019	As At 31st March, 2018
Fixed-Rate Borrowings	-	-
Floating-Rate Borrowings		
Bank Overdraft	26289	46706
Rupee Term Loans	15000	2632
Total	41289	49338

(ii) Maturities of Financial Liabilities

The following are the contractual maturities of derivative and non-derivative financial liabilities, based on contractual cash flows:

Contractual Maturities of Financial Liabilities	Contractual Cash Flows		Total
	Less than One Year	More than One Year	
31st March, 2019			
Non-Derivative Financial Liabilities			
Rupee Term Loans from Banks	19073	82039	101112

Rupee Term Loans from Others	-	7240	7240
Foreign Currency Loans from Banks	809	7822	8631
Finance Lease Obligations	108	207	315
Trade and Other Payables	57865	9452	67317
Other Financial Liabilities	6460	1887	8347
Short Term Borrowings	35843	-	35843

(c) Foreign Currency Risk

The Company has exposure to foreign currency risk on account of its payables and receivables in foreign currency which are mitigated through regular reviews by the management. The Company enters into derivative financial instruments to mitigate the foreign currency risk and interest rate risk including,

- forward foreign exchange contracts for foreign currency risk mitigation
- foreign currency interest rate swaps to mitigate foreign currency and interest rate risk on foreign currency loan.

The currency profile of financial assets and financial liabilities as at 31st March, 2019 and 31st March, 2018 are as below:

(₹ Lakhs)				
Particulars	USD	EURO	JPY	INR Equivalent
31st March, 2019

	771	40	2552	55020
Net Exposure	(769)	(40)	(2552)	(54876)

Sensitivity Analysis

The Company is mainly exposed to JPY, USD and EURO.

The following table provides details of the Company's sensitivity to a 2% increase and decrease in the INR against the relevant foreign currencies. The sensitivity analysis includes only outstanding foreign currency denominated monetary items as tabulated above and adjusts their translation at the period end for a 2% change in foreign currency rates. The sensitivity analysis includes external loans. A positive number below indicates an increase in profit or equity and vice-versa.

2% Movement	Profit and Loss (Before Tax)		Profit and Loss (Before Tax)	
	Strengthening	(Weakening)	Strengthening	(Weakening)
	31st March, 2019		31st March, 2018	
INR/USD	1064	(1064)	1002	(1002)
INR/EUR	62	(62)	65	(65)
INR/JPY	32	(32)	31	(31)
Total	1158	(1158)	1098	(1098)

(d) Interest Rate Risk

The Company is exposed to interest rate risk arising mainly from long term borrowings with floating interest rates. The Company is exposed to interest rate risk because the cash flows associated with floating rate borrowings will fluctuate with changes in interest rates. The Company manages the interest rate risks by entering into different kinds of loan arrangements with varied terms (eg. fixed, floating, rupee, foreign currency, etc.).

Fair Value Sensitivity Analysis for Fixed-Rate Instruments

The Company's fixed rate instruments are carried at amortized cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Cash Flow Sensitivity Analysis for Variable-Rate Instruments

A change of 50 basis points in interest rates at the reporting date would have increased/(decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for the previous year.

(₹ Lakhs)

Particulars	Profit or Loss	
	50 bp Increase	50 bp Decrease
31st March, 2019		
Foreign Currency Loans	(83)	83
Short Term Loans	(161)	161
Rupee Term Loans	(574)	574
	(818)	818

(b) Fair Value Hierarchy

This Section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial Assets and Liabilities Measured at Fair Value- Recurring Fair Value Measurement

(₹ Lakhs)

	Level 1	Level 2	Level 3	Total
As At 31st March, 2019				
Financial Assets:				
Investments in Quoted Equity Instruments	518	-	-	518
Investments in Unquoted Equity Instruments	-	539	-	539
Total	518	539	-	1057

Financial Assets and Liabilities Measured at Fair Value- Recurring Fair Value Measurement

	Level 1	Level 2	Level 3	Total
As At 31st March, 2018				
Financial Assets:				
Investments in Quoted Equity Instruments	649	-	-	649
Investments in Unquoted Equity Instruments	-	522	-	522
Total	649	522	-	1171

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Hierarchy includes financial instruments measured using quoted prices. This includes investments in quoted equity instruments. Quoted equity instruments are valued using quoted prices on recognized stock exchange.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments. This level includes derivative MTM assets/liabilities. Fair value of derivative assets/liabilities such as interest rate swaps and foreign exchange forward contracts are valued using valuation techniques, which employs the use of market observable inputs. The most frequently applied valuation techniques include forward pricing and swap models and present value calculations.

There have been no transfers in either direction for the years ended 31st March, 2019 and 31st March, 2018.

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants.

Fair Value of Financial Assets and Liabilities Measured at Amortized Cost

(c) **Particulars** (₹ Lakhs)

	As At 31st March, 2019		As At 31 March, 2018	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value

The carrying amounts of short term trade receivables, trade payables, creditors for capital goods and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature. For financial assets & liabilities that are measured at fair value, the carrying amounts are equal to the fair value.

43. Capital Management

The Company's objectives when managing capital are to:

- safeguard its ability to continue as a going concern, so that it can continue to provide returns for Shareholders and benefits for other Stakeholders and
- maintain an appropriate capital structure of debt and equity.

The Board of Directors has the primary responsibility to maintain a strong capital base and reduce the cost of capital through prudent management in deployment of funds and sourcing by leveraging opportunities in domestic and international financial markets so as to maintain investors, creditors and markets confidence and to sustain future development of the business. The Board of Directors monitors the return on capital, which the Company defines as result from operating activities divided by total Shareholders' equity. The Board of Directors also monitors the level of dividends to Equity Shareholders.

Under the terms of major borrowing facilities, the Company is required to comply with the financial covenants as may be prescribed by the lenders. There have been no breaches in the financial covenants of any interest bearing borrowings.

The Company monitors capital, using a medium term view of three to five years, on the basis of a number of financial ratios generally used by industry and by the rating agencies. The Company is not subject to externally imposed capital requirements.

The Company monitors capital using gearing ratio which is net debt divided by total equity. Net debt comprises of long term and short term borrowings less cash and cash equivalent. Equity includes equity share capital and reserves that are managed as capital. The gearing ratio at the end of the reporting period was as follows:

Particulars	(₹ Lakhs)	
	As At 31st March, 2019	As At 31st March, 2018
Total Debt	163604	137141
Cash and Cash Equivalent	(1961)	(1621)
Net Debt	161643	135520
Equity	124969	110962
Net debt to equity ratio	1.29	1.22

44. Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED)

On the basis of confirmations obtained from the suppliers who have registered themselves under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED) and based on the information available with the Company, the following are the details.

Particulars	(₹ Lakhs)	
	As At 31st March, 2019	As At 31st March, 2018
a) Amount remaining unpaid to any supplier:		
1) Principal Amount	1063	533
2) Interest due thereon	3	-
b) Amount of interest paid in terms of Section 16 of the MSMED Act along-with the amount paid to the suppliers beyond the appointed day.	-	-
c) Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act.	-	-
d) Amount of interest accrued and remaining unpaid	3	-
e) Amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises, for the purpose of disallowances as a deductible expenditure under Section 23 of MSMED Act	-	-

Independent Auditors' Report

To the Members of

Asahi India Glass Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of Asahi India Glass Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), its associates which comprise the Consolidated Balance Sheet as at 31st March, 2019, and the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flows Statement for the year then ended, and notes to the Consolidated Ind AS Financial Statements, including a summary of significant accounting policies (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their Consolidated state of affairs of the Group as at 31st March, 2019 of Consolidated profit, Consolidated changes in equity and its Consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by The Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters/Other Matters

We draw attention to Emphasis of Matters/Other Matters paragraph in Auditors Reports of two subsidiary companies regarding accumulated losses and resultant effect on their net worth and current liabilities exceeding current assets. However the same does not have any adverse impact on going concern status of the Group as a whole.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no other key audit matters to communicate in our report.

Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Ind AS Financial Statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the Consolidated financial position, Consolidated financial performance including Other Comprehensive Income, Consolidated Changes in Equity and Consolidated Cash Flows of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the Consolidated Ind AS Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities included in the Consolidated Ind AS Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the Financial Statements of three subsidiaries whose Financial Statements reflect total assets of ₹13393 lakhs as at 31st March, 2019, total revenues of ₹9791 lakhs and net cash flows amounting to ₹25 lakhs for the year ended on that date as considered in the Consolidated Ind AS Financial Statements. The Consolidated Ind AS Financial Statements also include the Group's share of net profit of ₹740 lakhs for year ended 31st March, 2019 as considered in the Consolidated Ind AS Financial Statements in respect of three associates whose Financial Statements have not been audited by us. These Financial Statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Ind AS Financial Statements in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors.

Our opinion on the Consolidated Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the Financial Statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.
 - d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

- e) On the basis of the written representations received from the directors of the Holding Company, as on 31st March, 2019 taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India is disqualified as on 31st March, 2019, from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Consolidated Ind AS Financial Statements disclose the impact of pending litigations on the Consolidated financial position of the Group and its associates- Refer Note 35 to Consolidated Ind AS Financial Statements.
 - ii) The Group and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, its subsidiary companies and associate companies incorporated in India.

Annexure to the Independent Auditor's Report on the Consolidated Financial Statements of Asahi India Glass Limited

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' of our Report of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company as of and for the year ended 31st March, 2019, we have audited the internal financial controls over financial reporting of Asahi India Glass Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies and its associate companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by The Institute of Chartered Accountants of India (the ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India and the standards on auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial

reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and associate companies which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiary companies and its associate companies which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and

directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company, its subsidiary companies and its associate companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were

operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to three subsidiary companies and three associate companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

Notes to the Consolidated Financial Statements for the Year Ended 31st March, 2019

1A. Corporate Information

Asahi India Glass Limited ("the Company") is a public limited Company and is listed on the Bombay Stock Exchange Limited (BSE) and the National Stock Exchange of India Limited (NSE). The Company and its subsidiaries (jointly referred to as the Group hereinafter) and associates are engaged inter alia, in the business of manufacturing of Auto Glass, Float Glass and other value added Glasses and allied products.

The Subsidiaries considered in these Consolidated Financial Statements are:

Name of the Company	Country of Incorporation	% Voting Power held As At 31st March, 2019	% Voting Power Held As At 31st March, 2018
AIS Glass Solutions Ltd.	India	82.55	82.55
Integrated Glass Materials Ltd.	India	100.00	100.00
Gx Glass Sales and Services Ltd.	India	93.48	93.48

The Associates considered in these Consolidated Financial Statements are:

Name of the Company	Country of Incorporation	% Voting Power Held As At 31st March, 2019	% Voting Power Held As At 31st March, 2018
AIS Adhesives Ltd.	India	47.83	47.83
AIS Distribution Services Ltd.	India	49.98	49.98
Scopfy Components Pvt. Ltd.	India	30.00	30.00

1B. Significant Accounting Policies

(a) Statement of Compliance

The Consolidated Financial Statements of the Group have been prepared to comply with the Indian Accounting Standards (Ind AS), including the rules notified under the relevant provisions of the Companies Act, 2013.

(b) Basis for Preparation

The Financial Statements have been prepared under the historical cost convention on accrual basis with the exception of certain assets and liabilities carried at fair values by Ind AS. The assets and liabilities have been classified as current/non current as per the Group's normal operating cycle and other criteria

set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current/non current classification of assets and liabilities.

(c) Principles of Consolidation

The Consolidated Financial Statements have been prepared on the following basis :

- The Group combines the Financial Statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity income and expenses.
- Intra group transactions, balances and unrealized gains on transactions between group companies are eliminated.
- Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.
- Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.
- The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Company's separate Financial Statements.
- Non Controlling Interest in the net income and net assets of the Consolidated Financial Statements is computed and shown separately.
- Investments in associate companies have been accounted under the equity method as per Ind AS 28 "Investment in Associates" and accordingly Consolidated Financial Statements include the Company's share of profit or loss of the associates.

(d) Property, Plant and Equipment-Tangible Assets

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less

accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net changes on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation Method and Estimated Useful Life

Depreciation is provided on the straight line method over the estimated useful life of the assets as per the rates in the manner prescribed under the Schedule II to the Companies Act, 2013 except in respect of the following assets where useful life is different than those prescribed in Schedule II (Based on technical evaluation):

- | | |
|---|----------|
| i. Carpeted roads-other than RCC - Auto SBU | 15 years |
| ii. Carpeted roads-other than RCC - Float SBU | 25 years |
| iii. Fences (Boundary Walls) - Float SBU | 25 years |
| iv. Plant and Equipment | |
| a) Tooling, Utility, Forklifts, Testing Equipments | 20 years |
| b) Continuous Process Plant and Electrical Installations forming part thereto | 18 years |
| c) Float Glass Melting Furnace | 15 years |
| d) Other parts of Plant and Equipment (where cost of a part asset is significant to total cost of the asset) | 25 years |
| v. Electrical Installations- Auto SBU | 25 years |
| vi. Leasehold Land and improvements are depreciated over the period of lease. | |
| vii. Plant & Equipment not represented by physical assets owned by the Group are amortized over a period of five years. | |
| viii. Gains and losses on disposals are determined by comparing proceeds with carrying amount and | |

such gains or losses are recognized as income or expense in the Statement of Profit and Loss.

- ix. Cost of items of Property, Plant and Equipment not ready for intended use as on the Balance Sheet date is disclosed as capital work in progress. Advances given towards acquisition of Property, Plant and Equipment outstanding at each Balance Sheet date are disclosed as Capital Advance under Other Non Current Assets.

(e) Intangible Assets and Amortization

Intangible assets are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated amortization and impairment loss, if any.

The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are recognized as income or expense in the Statement of Profit and Loss.

Cost of items of intangible assets not ready for intended use as on the Balance Sheet date is disclosed as intangible assets under development.

Amortization Method and Estimated Useful Life

Amortization is charged on a straight line basis over the estimated useful life. The estimated useful life and amortization method are reviewed at the end of each annual reporting period with the effect of any changes in the estimate being accounted for on a prospective basis.

(f) Impairment

Tangible and Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(g) Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Assets held under finance leases are initially recognized as assets of the Group at their fair value at the inception of the lease or, if lower at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Amounts due from lessees under finance leases are recognized as receivables at the amount of the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Group's net investment outstanding in respect of the leases.

Rental expenses from operating leases are recognized on straight line basis over the term of the relevant lease.

(h) Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

Financial Assets and Financial Liabilities are recognized when the Group becomes a party to the contractual provisions of the relevant instrument. Since the transaction price does not differ significantly from the fair value of the financial asset or financial liability, the transaction price is assumed to be the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase and sale of financial assets are recognized using trade date accounting.

i. Financial Assets

Financial assets include Trade Receivables, Advances, Security Deposits, Cash and Cash Equivalents etc. which are classified for measurement at amortized cost. The Group accounts its investments in associates at cost. However, all other equity investments are measured at fair value, with value changes recognized in "Other Comprehensive Income."

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Impairment:

The Group assesses at each reporting date whether a financial asset (or a group of financial assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

De-recognition:

Financial assets are de-recognized when the right to receive cash flow from the assets has expired, or has been transferred and the Group has transferred substantially all of the risks and rewards of ownership.

Income Recognition:

Interest income is recognized in the Statement of Profit and Loss using the effective interest method. Dividend income is recognized in the Statement of Profit and Loss when the right to receive the same is established.

ii. Financial Liabilities:

Borrowings, Trade Payables and Other Financial Liabilities are initially recognized at the value of the respective contractual obligations. They are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

For trade and other payables maturing within one year from the Balance Sheet date, the

carrying amounts approximate fair value due to short maturity of these instruments.

De-recognition:

Financial Liabilities are de-recognized when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

(i) Inventories

Inventories are valued at lower of cost or net realizable value except waste and scrap which is valued at estimated realizable value as certified by the management. The basis of determining cost for various categories of inventories as follows:

Stores, Spare Parts, Packing Materials and Raw Materials	Weighted moving average method except stores segregated for specific purposes and materials in transit valued at their specific cost.
Work in Progress and Finished Goods	Material cost plus appropriate share of production overheads.
Stock in Trade	First in First Out method based on actual cost.

(j) Revenue

Revenue is recognized when the performance obligation is satisfied by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the Government. Interest income is accrued on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable. Rental income from investment properties is recognized on a straight line basis over the term of the relevant leases. Income from services is accounted over the period of rendering of services.

(k) Foreign Currency Transactions

- i. Items included in the Financial Statements are measured using the currency of the primary

economic environment in which the Group operates. The Consolidated Financial Statements are presented in Indian Rupee (INR) which is Group's functional and presentation currency.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss except on transactions entered into to hedge certain foreign currency risks.

Exchange gains or losses of foreign currency borrowings taken prior to 1st April, 2017 which are related to the acquisition or construction of qualifying assets are adjusted in the carrying cost of such assets. Exchange fluctuations on other long term foreign currency monetary items prior to the above date are accumulated in Foreign Currency Monetary Item Translation Difference Account.

ii. Derivative Financial Instruments

In the ordinary course of business, the Group uses certain financial instruments to reduce business risks which arise from its exposure to foreign exchange rate risks, commodity price risks and interest rate fluctuations. The instruments are confined mainly to forward contracts, certain other derivative financial instruments and interest rate swaps.

Derivatives are initially accounted for and measured at fair value from the date derivatives contract is entered into and subsequently remeasured to their fair value at the end of each reporting period.

(l) Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash in hand, demand deposits with banks, short term balances, highly liquid investments that are readily convertible into known amounts of cash and which

are subject to insignificant risk of changes in value. Book overdrafts are shown within Other Financial Liabilities in the Balance Sheet and form part of cash and cash equivalents in the Cash Flow Statement.

(m) Taxes on Income

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of Profit and Loss because some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The Group's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date.

Current tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority.

The Group periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax expected to be payable or recoverable in the future arising from temporary differences between the carrying amounts of assets and liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred income tax assets and liabilities are offset against each other and the resultant net amount is presented in the Balance Sheet if and only when the Group currently has a legally enforceable right to set off the current income tax assets and liabilities.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in Other Comprehensive Income or directly in Equity. In this case the tax is also recognized in Other Comprehensive Income or directly in Equity respectively.

(n) Employee Benefits

(i) Short Term Employee Benefits

Short term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Post Employment Benefits

Defined Contribution Plans

The Group's defined contribution plans are superannuation and employees provident fund and employees pension scheme (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) since the Group has no further obligation beyond making the contributions. The Group's contributions to these plans are charged to the Statement of Profit and Loss as incurred.

Defined Benefits Plans

Liability for defined benefit plans is provided on the basis of valuations as at the Balance Sheet date, carried out by an independent actuary.

Gratuity

The gratuity fund benefits are administered by a Trust recognized by Income Tax Authorities through Group Gratuity Schemes. The liability for gratuity at the end of the each financial year is determined on the basis of actuarial valuation carried out by the Insurer's Actuary. The method used for measuring the liability for Gratuity is Projected Unit Credit Method. Actuarial gains and losses are recognized in the Statement of Other Comprehensive Income in the period of occurrence of such gains and losses. The obligations for gratuity are measured at the present value of estimated future cash flows

discounted at rates reflecting the prevailing market yields of Indian Government securities as at the Balance Sheet date for the estimated term of the obligations. The estimate of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors. The expected rate of return of plan assets is the Group's expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations. Plan assets are measured at fair value as at the Balance Sheet date.

(iii) Other Long Term Benefit Plans

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the Projected Unit Credit Method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other Comprehensive Income.

- (iv) The expenditure on voluntary retirement scheme is charged to the Statement of Profit and Loss in the year in which it is incurred.

(o) Earnings Per Share

Basic earnings per share is calculated by dividing the profit for the period attributable to the owners of Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the Group and the weighted average number of shares outstanding during the period is adjusted for the

effects of all dilutive potential equity shares.

(p) Non Current Assets Held for Sale

Non current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less cost to sell.

Non current assets are not depreciated or amortized while they are classified as held for sale.

Non current assets classified as held for sale are presented separately from the other assets in the Balance Sheet.

(q) Exceptional Items

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the Group for the year, the Group makes a disclosure of the nature and amount of such items separately under the head "Exceptional Items."

(r) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The Managing Director and Chief Executive Officer of the Company has been identified as CODM and is responsible for allocating the resources, assesses the financial performance of segments and position of the Group and makes strategic decisions.

The Group has identified two reportable segments "Automotive Glass" and "Float Glass" based on the information reviewed by the CODM. Refer Note 39 for segment information presented.

(s) Provisions and Contingent Liabilities

A provision is recognized if as a result of a past event, the Group has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of time value of

money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate the risks specific to the liability. The increase in the provision due to passage of time is recognized as an interest expense.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the Consolidated Financial Statements. However, when the realization of income is virtually certain then the related asset is not a contingent asset and its recognition is appropriate.

(t) Research and Development

Research costs are expensed as incurred. Product development costs are capitalised when technical and commercial feasibility of the products is demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sale the products and costs can be measured reliably. In other cases such development costs are taken to the Statement of Profit & Loss. The costs which can be capitalised include the cost of material, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use.

(u) Rounding of Amounts

All amounts disclosed in the financial statements and accompanying notes have been rounded off to the nearest lakhs as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated.

(v) Dividends

Dividend proposed (including income tax thereon) is recognized in the period in which interim dividends are approved by the Board of Directors or in respect of final dividend when approved by Shareholders.

(w) Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(x) Use of Estimates and Critical Accounting Judgements

The preparation of Financial Statements is in conformity with Generally Accepted Accounting Principles which requires management to make estimates and assumptions.

The estimates and the associated assumptions are based on historical experience, opinions of experts and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgements and estimates are made in areas relating to useful lives of Property, Plant and Equipment, impairment of Property, Plant and Equipment, Investments, actuarial assumptions relating to recognition and measurement of employee defined benefit obligations and recognition of provisions and exposure of contingent liabilities relating to pending litigations or other outstanding claims etc.

1C Standards issued but not yet effective

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2019 on 30th March, 2019. The Rules propose amendments to Ind AS 12, Ind AS 19, Ind AS 23, Ind AS 28, Ind AS 103, Ind AS 109 and Ind AS 111 which are applicable for annual reporting periods beginning on or after 1st April, 2019. The Group does not expect any material impact on its financial statements due to above amendments. Ind AS 116 regarding "Leases" though notified is applicable with effect from 1st April, 2019.

Description of Reserves

- (a) **Capital Reserve:** Capital Reserve represents reserve of the Company which is not available for distribution as dividend.
- (b) **Capital Redemption Reserve:** Capital Redemption Reserve is reserve created on redemption of preference shares.
- (c) **Securities Premium:** Securities Premium represents excess amount received by the Company over the face value of its share to be utilized for specific purposes only as per Section 52 of the Companies Act, 2013.
- (d) **Amalgamation Reserve:** Amalgamation Reserve is reserve created on amalgamation of erstwhile Float Glass India Limited with the Company.
- (e) **General Reserve:** General Reserve is free reserve of the Company which is kept aside out of Company's profits to meet future requirements as and when they arise. The Company had transferred a portion of the Profit After Tax to General Reserve pursuant to earlier provisions of the Companies Act, 1956. Mandatory transfer to General Reserve is not required under the Companies Act, 2013.
- (f) **Retained Earnings:** Retained Earnings are the accumulated profits of the Company after reduction of dividend and Income tax on dividend.
- (g) **Other Reserves - FVOCI:** Other Comprehensive Income represents actuarial gain/loss on remeasurement of defined benefit obligation and fair valuation of Investments.

Total	287321	5870	293191	266783	3552	270335

Notes:

- The Group's Operating Segments are established on the basis of the information that is evaluated by the "Chief Operating Decision Maker" as defined in Ind AS 108 - Operating Segments in deciding how to allocate resources and in assessing performance. The segments have been identified taking into account nature of products and services, production processes, risks and returns and the internal business reporting systems.
- For management purposes, the Group is organised into two major operating divisions - Automotive Glass and Float Glass. These divisions are the basis on which the Group reports its primary segment information.
- All segment assets and liabilities are directly attributable to the segment. Segment assets include all operating assets used by the segment and consist primarily of fixed assets, inventories, trade receivables, loans and advances and operating cash and bank balances. Segment liabilities include all operating liabilities and consist primarily of creditors and accrued liabilities. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as unallocable.
- Segment revenues and segment results include transfers between business segments. Pricing is decided by marketing and logistics department. These transfers are eliminated on consolidation.
- Joint expenses are allocated to business segments on a reasonable basis. All other revenues and expenses are directly attributable to the segments. They do not include interest income on inter corporate deposit and interest expense.
- There are no non current assets located outside India.
- Revenue derived from a single external customer amounting to more than 10% of the entity's revenue attributable to Automotive glass segment - ₹55595 Lakhs (Previous Year ₹ 56378 Lakhs)

37. Financial Risk Management

The Group's activities expose it to foreign currency risk, liquidity risk, interest rate risk and credit risk. In order to minimise any adverse effects on the financial performance of the Group, derivative financial instruments, such as foreign exchange forward contracts and foreign currency/commodity swaps are entered into by the Group to hedge certain foreign currency and commodity exposure. Derivatives are used exclusively for hedging and not as trading or speculative instruments.

The Group is exposed to the following risks from its use of financial instruments:

- Credit Risk
- Liquidity Risk
- Foreign Currency Risk
- Interest Rate Risk

(a) Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations. To manage trade receivable, the Group periodically assess the financial reliability of customers, taking into account the financial conditions, economic trends, analysis of historical bad debts and ageing of such receivables.

(i) Exposure to Credit Risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

Particulars	(₹ Lakhs)	
	As At 31st March, 2019	As At 31st March, 2018
Financial assets for which loss allowance is measured using 12 months		
Expected Credit Losses		
Non-Current Investments	4816	4191
Non-Current Loans	2637	1866
Other Non-Current Financial Assets	83	149
Trade Receivables	26951	32251
Cash and Cash Equivalents	2045	1679
Bank Balances other than Cash and Cash Equivalents	114	34
Current Loans	171	297
Other Current Financial Assets	14257	12621
Total	51074	53088

(ii) Ageing Analysis of Trade Receivables

The ageing analysis of the trade receivables is as below:

Particulars	Ageing			Total
	Not due	Less than Six Months	More than Six Months	
Gross Carrying Amount As At 31st March, 2019	18172	4750	4029	26951
Gross Carrying Amount As At 31st March, 2018	24457	4743	3051	32251

(iii) Reconciliation of Impairment Loss Provisions

The movement in the allowance for impairment in respect of financial assets during the year was as follows:

Particulars	Trade Receivables	Loans	Advances	Others	Total
Balance As At 31st March, 2018	615	-	74	-	689
	(351)	-	(74)	-	(425)
Impairment Loss Recognized	180	-	20	-	200
	(264)	-	-	-	(264)
Amounts Written Off	-	-	-	-	-
	-	-	-	-	-
Balance As At 31st March, 2019	795	-	94	-	889
	(615)	-	(74)	-	(689)

Based on historic default rates, the Group believes that, apart from the above, no impairment allowance is necessary in respect of any other assets as the amounts are insignificant.

(b) Liquidity Risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure funds are available for use as per the requirements.

The Group has an appropriate liquidity risk management framework for the management of short, medium and long term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate cash reserves, banking facilities and reserve borrowing facilities by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

(i) Financing Arrangements

The Group had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ Lakhs)

Particulars	As At 31st March, 2019	As At 31st March, 2018
Fixed-Rate Borrowings	-	-
Floating-Rate Borrowings		
Bank Overdraft	26293	46756
Rupee Term Loans	15000	2632
Total	41293	49388

(ii) Maturities of Financial Liabilities

The following are the contractual maturities of derivative and non-derivative financial liabilities, based on contractual cash flows:

Contractual Maturities of Financial Liabilities	Contractual Cash Flows		Total
	Less than One Year	More than One Year	
31st March, 2019			
Non-Derivative Financial Liabilities			
Rupee Term Loans from Banks	19071	82039	101110
Rupee Term Loans from Others	951	13028	1399

Trade and Other Payables	63841	-	63841
Other Financial Liabilities	8739	2065	10804
Short Term Borrowings	32507	-	32507
31st March, 2018			
Non-Derivative Financial Liabilities			
Rupee Term Loans from Banks	9550	75562	85112
Rupee Term Loans from Others	-	7490	7490
Foreign Currency Loans from Banks	809	7822	8631
Finance Lease Obligations	113	217	330
Trade and Other Payables	58657	9452	68109
Other Financial Liabilities	6605	1950	8555
Short Term Borrowings	35843	-	35843

(c) Foreign Currency Risk

The Group has exposure to foreign currency risk on account of its payables and receivables in foreign currency which are mitigated through regular reviews by the management. The Group enters into derivative financial instruments to mitigate the foreign currency risk and interest rate risk including,

- a) forward foreign exchange contracts for foreign currency risk mitigation
- b) foreign currency interest rate swaps to mitigate foreign currency and interest rate risk on foreign currency loan.

The currency profile of financial assets and financial liabilities as at 31st March, 2019 and 31st March, 2018 are as below:

(₹ Lakhs)

Particulars	USD	EURO	JPY	INR Equivalent
31st March, 2019

	771	40	2552	55020
Net Exposure	(769)	(40)	(2552)	(54876)

Sensitivity Analysis

The Group is mainly exposed to JPY, USD and EURO.

The following table provides details of the Group's sensitivity to a 2% increase and decrease in the INR against the relevant foreign currencies. The sensitivity analysis includes only outstanding foreign currency denominated monetary items as tabulated above and adjusts their translation at the period end for a 2% change in foreign currency rates. The sensitivity analysis includes external loans. A positive number below indicates an increase in profit or equity and vice-versa.

2% Movement	Profit and Loss (Before Tax)		Profit and Loss (Before Tax)	
	Strengthening	(Weakening)	Strengthening	(Weakening)
	31st March, 2019		31st March, 2018	
INR/USD	1064	(1064)	1002	(1002)
INR/EUR	62	(62)	65	(65)
INR/JPY	32	(32)	31	(31)
Total	1158	(1158)	1098	(1098)

(d) Interest Rate Risk

The Group is exposed to interest rate risk arising mainly from long term borrowings with floating interest rates. The Group is exposed to interest rate risk because the cash flows associated with floating rate borrowings will fluctuate with changes in interest rates. The Group manages the interest rate risks by entering into different kinds of loan arrangements with varied terms (eg. fixed, floating, rupee, foreign currency ,etc.).

Fair Value Sensitivity Analysis for Fixed-Rate Instruments

The Group's fixed rate instruments are carried at amortized cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Cash Flow Sensitivity Analysis for Variable-Rate Instruments

A change of 50 basis points in interest rates at the reporting date would have increased/(decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for the previous year.

Particulars	Profit or Loss	
	50 bp Increase	50 bp Decrease
31st March, 2019		
Foreign Currency Loans	(83)	83
Short Term Loans	(161)	161
Rupee Term Loans	(578)	578
Total	(822)	822
31st March, 2018		
Foreign Currency Loans	(43)	43
Short Term Loans	(179)	179
Rupee Term Loans	(466)	466
Total	(688)	688

(b) Fair Value Hierarchy

This Section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial Assets and Liabilities Measured at Fair Value- Recurring Fair Value Measurement	Level 1	Level 2	Level 3	Total
As At 31st March, 2019				
Financial Assets:				
Investments in Quoted Equity Instruments	518	-	-	518
Investments in Unquoted Equity Instruments	-	539	-	539
Total	518	539	-	1057
As At 31st March, 2018				
Financial Assets:				
Investments in Quoted Equity Instruments	649	-	-	649
Investments in Unquoted Equity Instruments	-	522	-	522
Total	649	522	-	1171

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Hierarchy includes financial instruments measured using quoted prices. This includes investments in quoted equity instruments. Quoted equity instruments are valued using quoted prices on recognized stock exchange.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments. This level includes derivative MTM assets/liabilities. Fair value of derivative assets/liabilities such as interest rate swaps and foreign exchange forward contracts are valued using valuation techniques, which employs the use of market observable inputs. The most frequently applied valuation techniques include forward pricing and swap models and present value calculations.

There have been no transfers in either direction for the years ended 31st March, 2019 and in previous year.

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants.

Fair Value of Financial Assets and Liabilities Measured at Amortized Cost.

(c) Fair Value of Financial Assets and Liabilities Measured at Amortized Cost

(₹ Lakhs)

Particulars	As At 31st March, 2019		As At 31 March, 2018	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
Investments	3759	3759	3020	3020
Loans	2808	2808	2163	2163
Trade Receivables	26951	26951	32251	32251
Cash and Cash Equivalents	2045	2045	1679	1679
Other Bank Balances	114	114	34	34
Other Financial Assets	83	83	149	149
Total	35760	35760	39296	39296
Financial Liabilities				
Borrowings	142340	142340	126717	126717
Finance Lease Obligations	95	95	217	217
Trade Payables	63841	63841	68109	68109
Payable for Capital Expenditure	5448	5448	3485	3485
Other Financial Liabilities	27325	27325	15542	15542
Total	239049	239049	214070	214070

The carrying amounts of short term trade receivables, trade payables, creditors for capital goods and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature. For financial assets & liabilities that are measured at fair value, the carrying amounts are equal to the fair value.

39. Capital Management

The Group's objectives when managing capital are to:

- safeguard its ability to continue as a going concern, so that it can continue to provide returns for Shareholders and benefits for other Stakeholders and
- maintain an appropriate capital structure of debt and equity.

The Board of Directors of Group Companies has the primary responsibility to maintain a strong capital base and reduce the cost of capital through prudent management in deployment of funds and sourcing by leveraging opportunities in domestic and international financial markets so as to maintain investors, creditors and markets confidence and to sustain future development of the business. The Board of Directors monitors the return on capital, which is defined as result from operating activities divided by total Shareholders' equity. The Board of Directors also monitors the level of dividends to Equity Shareholders.

Under the terms of major borrowing facilities, the Group is required to comply with the financial covenants as may be prescribed by the lenders. There have been no breaches in the financial covenants of any interest bearing borrowings.

The Group monitors capital, using a medium term view of three to five years, on the basis of a number of financial ratios generally used by industry and by the rating agencies. The Group is not subject to externally imposed capital requirements.

The Group monitors capital using gearing ratio which is net debt divided by total equity. Net debt comprises of long term and short term borrowings less cash and cash equivalent. Equity includes equity share capital and reserves that are managed as capital. The gearing ratio at the end of the reporting period was as follows:

Particulars	As At	As At
	31st March, 2019	31st March, 2018
Total Debt	164404	137406
Cash and Cash Equivalent	(2045)	(1679)
Net Debt	162359	135727
Equity	121569	107557
Net debt to equity ratio	1.34	1.26

- 40.** Consequent to the introduction of Goods and Service Tax (GST) w.e.f. 1st July, 2017, VAT, Excise Duty etc. have been absorbed in the GST and accordingly the same is not recognized as part of sales. This has resulted in lower reported sales in the current year in comparison to the sales reported under the pre-GST structure of indirect taxes. With the change in structure of indirect taxes, expenses are also being reported net of taxes.
- 41.** Amount in the Financial Statements are presented in ₹ lakhs except for per share data and as other-wise stated. Previous years figures have been regrouped/rearranged wherever considered necessary.

10. To consider and if thought fit, to pass with or without modification(s), the following Resolution as a Special Resolution:

"Resolved that pursuant to the provisions of Regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable provisions if any, of the Companies Act, 2013 (including any amendment, modification, variation or re-enactment thereof for the time being in force) and pursuant to the recommendation of the Board of Directors, approval of Members of the Company be and is hereby accorded for continuation of Mr. Gurvirendra Singh Talwar (DIN: 00559460), as a Non-executive Independent Director of the Company, after attaining age of 75 years during his second term with the Company."

By order of the Board

Gopal Ganatra

Executive Director

Dated: 22nd May, 2019 General Counsel & Company Secretary
Place: Gurugram Membership No.: F7090

NOTES:

- 1) A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY/ PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/ HERSELF AND SUCH PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY. THE INSTRUMENT APPOINTING THE PROXY/ PROXIES SHOULD BE DEPOSITED AT THE REGISTERED OFFICE OF THE COMPANY, DULY COMPLETED AND SIGNED, NOT LESS THAN FORTY-EIGHT (48) HOURS BEFORE COMMENCEMENT OF THE AGM i.e. BY 3:00 P.M. ON 4TH AUGUST, 2019.

A person can act as proxy on behalf of Members not exceeding fifty (50) and holding in the aggregate not more than ten per cent (10%) of the total share capital of the Company carrying voting rights. A Member holding more than ten per cent (10%), of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for another person or shareholder.

- 2) Information or details pertaining to the Directors proposed to be appointed or re-appointed pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 issued by the Institute of Company Secretaries of India at Item Nos. 3 and 4 of the Ordinary Business and Item Nos. 6 to 10 of Special Business are provided as Annexure - 1 to this Notice.
- 3) Explanatory Statement in respect of Special Business, as required under Section 102 of the Companies Act, 2013 is enclosed as 'Annexure' to this Notice.
- 4) The Company has notified closure of Register of Members and Share Transfer Books from 31st July, 2019 to 6th August, 2019 (both days inclusive) for the purpose of payment of dividend for the financial year ended 31st March, 2019 and the Annual General Meeting.
- 5) The Dividend on Equity Shares, if declared at the Annual General Meeting, will be paid within a period of 30 days from the date of declaration to those Members whose names appear on the Company's register of Members, after giving effect to all valid share transfers in physical form lodged with Link Intime India Private Limited, Registrar and Share Transfer Agent of the Company on or before 30th July, 2019; and whose names appear in the list of beneficial owners on 30th July, 2019 furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) for this purpose. The dividend will be paid on or after 12th August, 2019.

- 6) Pursuant to applicable provisions of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (hereinafter referred to as "IEPF Rules"), (including any statutory modification(s) and or re-enactment(s) thereof for the time being in force), the amount of dividend remaining unpaid or unclaimed for a period of 7 (seven) years are required to be transferred by the Company to the IEPF established by the Central Government.

Further, according to the said IEPF Rules, shares in respect of which dividend has not been claimed by the shareholders for 7 (seven) consecutive years or more shall also be transferred to the demat account of the IEPF Authority

The dividend amount and shares transferred to the IEPF can be claimed by the concerned Members from the IEPF Authority after complying with the procedure prescribed under the IEPF Rules. The details of the unclaimed dividends are also available on the Company's website at www.aisglass.com and the said details have also been uploaded on the website of the IEPF Authority and the same can be accessed through the Link (www.iepf.gov.in)

- 7) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company/ Registrar & Share Transfer Agents.
- 8) SEBI has vide amended Regulation 40 of Listing Regulations mandated that from 1st April, 2019, onwards securities can be transferred only in dematerialized form. However, Members may continue holding shares in physical form. Transfer of securities in demat form will facilitate convenience and ensure safety of transactions for investors.

Members holding shares in physical form are requested to convert their holding(s) to dematerialized form to eliminate all risks associated with physical shares.

SEBI has also clarified that the share transfer deed(s) once lodged prior to 31st March, 2019 and returned due to deficiency in documents submitted, may be re-lodged for transfer.

- 9) Members are requested to produce the enclosed attendance slip, duly signed as per the specimen signature recorded with the Company, for admission to the meeting hall. Members holding shares in dematerialized form are requested to bring their DP-ID and Client-ID numbers for easier identification for attendance at the meeting.
- 10) Relevant documents referred to in the accompanying Notice, Register of Directors and Key Managerial Personnel and Register of Contracts or Arrangements in which Directors are Interested are open and available for inspection at the Registered Office and Corporate Office of the Company during the business hours on all working days, except Saturdays, up to the date of 34th Annual General Meeting of the Company.
- 11) Members desirous of getting any information on the accounts or operations of the Company are requested to forward their queries to the Company at least seven working days prior to the meeting, so that the required information can be made available at the meeting.
- 12) Members are requested to immediately notify any change in their address either to the Company or its Registrar & Share Transfer Agents. In case the shares are held in dematerialized form, this information should be sent by the Members to their respective Depository Participants. Members are requested to quote their folio numbers/ DP-ID and Client-ID numbers in their correspondence with the Company.
- 13) In terms of the provisions of the Companies Act, 2013, facility for making nominations is available to individual Members of the Company. Members holding shares in physical form can make their nomination in the specified Nomination Form which can be obtained from the Company or its Registrar & Share Transfer Agents. Members holding shares in dematerialized form should approach their depository participants for nomination.
- 14) In case of change in residential status of Non-Resident Indian Shareholders, the same should be immediately informed to the Registrar & Share Transfer Agents of the Company along with particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank.
- 15) Corporate Members, intending to send their authorised representative(s) to attend the Meeting are requested

to send a duly certified copy of the Board Resolution together with the specimen signature(s) authorizing their representative(s) to attend and vote at the Annual General Meeting.

- 16) In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
- 17) As a matter of economy, copies of the Annual Report will not be distributed at the venue of the Annual General Meeting. Members are, therefore, requested to bring their copy of the Annual Report to the meeting.
- 18) Members are requested to get registered their e-mail IDs with the Company or the Registrar and Share Transfer Agent for further communication by sending their request to investorrelations@aisglass.com or rnt.helpdesk@linkintime.co.in respectively.
- 19) Attendance slip, proxy form and route map showing directions to reach the venue of the 34th Annual General Meeting is given at the end of this Notice.
- 20) Pursuant to Section 139 of the Companies Act, 2013 (the Act), appointment of the auditor M/s VSSA & Associates, Chartered Accountants was made by the Members in their Annual General Meeting ("AGM") held on 10th August, 2017 for a period of 5 (five) consecutive years i.e. from the conclusion of 32nd AGM till the conclusion of 37th AGM, subject to the ratification at every AGM. However, in view of the notification dated 7th May, 2018 issued by the Ministry of Corporate Affairs, requirement for ratification of appointment of auditor has been abandoned.
- 21) Members may also note that the Notice of 34th Annual General Meeting, Attendance Slip, Proxy Form, Route Map and the Annual Report for 2018-19 are available on the Company's website i.e. www.aisglass.com and on CDSL website www.evotingindia.com for download.
- 22) Voting through electronic means
 - I. Pursuant to the provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 read with the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the Securities and Exchange

Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings (SS2) issued by the Institute of Company Secretaries of India, the Company is pleased to provide Members facility to exercise their right to vote on resolutions proposed to be considered at the 34th Annual General meeting (AGM) by electronic means. The facility of casting the votes by the Members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by Central Depository Services (India) Limited.

- II. The facility for voting through ballot paper shall also be made available at the AGM and Members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
- III. The Members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- IV. Procedure to cast vote electronically is as under:
 - (i) The shareholders should log on to the e-voting website www.evotingindia.com.
 - (ii) Click on Shareholders/ Members.
 - (iii) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
 - (iv) Next enter the Image Verification as displayed and Click on Login.
 - (v) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

(vi) If you are a first time user, follow the steps given below:

For Members holding shares in Demat Form and Physical Form	
PAN	<p>Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> Members who have not updated their PAN with the Company/ Depository Participant are requested to use the sequence number which is printed on Postal Ballot/ Attendance Slip indicated in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records for the said demat account or folio.</p> <ul style="list-style-type: none"> If both the details are not recorded with the depository or company please enter the Member id/ folio number in the Dividend Bank details field as mentioned in instruction (iii).

(vii) After entering these details appropriately, click on "SUBMIT" tab.

(viii) Members holding shares in physical form will then directly reach the Company selection screen. However, Members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(ix) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

(x) Click on the EVSN of Asahi India Glass Ltd.

(xi) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.

(xiii) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your

- After receiving the login details a compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- A. The remote e-voting period begins on Friday, 2nd August, 2019 at 9:00 a.m. and ends on Monday, 5th August, 2019 at 5:00 p.m. and at the end of Remote e-voting period, the facility shall forthwith be blocked. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday, 30th July, 2019 may cast their vote electronically. At the end of remote e-voting period, the e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.
- B. Any person, who acquires shares of the Company and become Member of the Company after dispatch of the Notice and holding shares as on the cut-off date i.e. Tuesday, 30th July, 2019 may follow the same instructions as mentioned above for e-Voting.
- C. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com under "help" section or write an email to helpdesk.evoting@cdslindia.com.
- D. The voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date i.e. Tuesday, 30th July, 2019.
- E. Members may send e-mail at investorrelations@aisglass.com for any grievances connected with electronic means to Mr. Shirish Saha, Investor Relations.
- F. The Company has appointed Mr. Sundeep Kumar Parashar, proprietor of SKP & Co., Company Secretaries, Membership No. 6136 and Certificate of Practice No. 6575 as the Scrutinizer who will conduct the remote e-voting process and poll at the annual general meeting in a fair and transparent manner.
- G. The Scrutinizer shall, immediately after the conclusion of voting at the general meeting, first count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and make a Scrutinizer's Report of the total votes cast in favour or against, if any, forthwith to the Chairman or a person authorized by him in writing who shall counter sign the same and declare the result of the voting forthwith.
- H. As per the provisions of Regulation 44(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the results of the e-voting are to be submitted to the Stock Exchange(s) within 48 hours of the conclusion of the AGM. The results declared along with Scrutinizer's Report shall be placed on the Company's website www.aisglass.com.

Important Communication to Members

- A) PHYSICAL SHAREHOLDERS** – Please provide your e-mail ID to the Company urgently at investorrelations@aisglass.com or fill the "Member's Response Form" (as provided in this Annual Report) to enable you to receive prompt and safe delivery of important communications from the Company.
- B) DEMAT SHAREHOLDERS** – Please provide your e-mail ID immediately to your Depository Participant (DP) where you have your demat account to enable you to receive prompt and safe delivery of important communications from the Company.

Such section also confirms and supports the "Green Initiative" of Corporate Governance initiated by the Ministry of Corporate Affairs as per the Rule 18 of Companies (Management and Administration) Rules, 2014 which allows companies to send any notice/ document (including Annual Report) to its Members via e-mail.

NOTE:

As per amended Regulation 40 of the Listing Regulations, transfer of security shall not be processed unless the securities are held in dematerialized form with a depository, hence, shareholder are requested to kindly dematerialize their shareholding.

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 5

The Board of Directors at its meeting held on 22nd May, 2019, on the recommendation of Audit Committee, approved the appointment of M/s. Ajay Ahuja & Associates, Cost Accountants, (Firm Registration No. 101142) as the Cost Auditor for audit of the cost accounting records of the Company for the financial year ending 31st March, 2020, at a remuneration of ₹ 1,50,000/- (Rupees One Lakh Fifty Thousand Only).

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 and Companies (Cost Records and Audit) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), the remuneration payable to Cost Auditor is required to be ratified by the shareholders of the Company.

Accordingly, consent of the Members is sought for approving the Ordinary Resolution for ratification of remuneration payable to Cost Auditor for conducting the audit of cost records of the Company for the financial year ending 31st March, 2020. The Board recommends passing of Resolution at Item No 5.

None of the Directors, Key Managerial Personnel or their relatives are concerned or interested in the proposed Ordinary Resolution as set out at Item No. 5 of this Notice.

Item No. 6

The Board of Directors of the Company at its Meeting held on 22nd May, 2019, appointed Mr. Yoji Taguchi as an Additional Director, in the capacity of Non-executive Independent Director, in accordance with the provisions of Section 161 of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014 and Article 73 of the Articles of Association of the Company with effect from 22nd May, 2019 to hold office up to the date of this Annual General Meeting.

The details/ information pursuant to Regulation 36(3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 with respect to appointment of Director is detailed below in Annexure-1.

The Company has received a notice in writing from a Member under Section 160 of the Companies Act, 2013 signifying his intention to propose the appointment of Mr. Yoji Taguchi as Director of the Company.

The Company has also received declaration from Mr. Yoji Taguchi that he meets the criteria of independence as prescribed both under Section 149(6) of the Act and under the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

Copy of the draft letter of appointment of Mr. Yoji Taguchi setting out the terms and condition of appointment is available for inspection by the Members at the registered office of the Company.

Mr. Yoji Taguchi is not disqualified from being appointed as a Director in terms of Companies Act, 2013 and has consented to act as Director of the Company. The Board considers it desirable to avail the expertise and guidance of Mr. Yoji Taguchi on the Board.

Mr. Yoji Taguchi is interested in the Resolution set out at item no. 6 of the Notice with regard to his appointment and his relatives are deemed to be interested in the Resolution to the extent of their shareholding interest, if any, in the Company.

Save and except as above, none of the other Directors, Key Managerial Personnel or their relatives are concerned or interested in the said Resolution.

The Board recommends the Ordinary Resolution set out at item no. 6 of the Notice for approval by the Members.

Item No. 7:

The existing tenure of Mr. Sanjay Labroo, Managing Director & C.E.O. expired on 18th February, 2019. The Board of Directors of the Company at their meeting held on 12th February, 2019 approved re-appointment of Mr. Sanjay Labroo as the Managing Director subject to the approval of the Members of the Company and approval of Central Government, if required, to be designated as Managing Director & C.E.O. of the Company for another term of 5 (five) years w.e.f. 19th February, 2019 on the remuneration and other terms and conditions as recommended by the Nomination and Remuneration Committee.

The details/ information pursuant to Regulation 36(3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 with respect to appointment of Director is detailed in Annexure-1 to this notice.

The Company has received a notice in writing from a Member under Section 160 of the Companies Act, 2013 signifying his intention to propose the appointment of Mr. Sanjay Labroo as Director of the Company.

Copy of the draft letter of appointment of Mr. Sanjay Labroo setting out the terms and condition of appointment is available for inspection by the Members at the registered office of the Company.

Mr. Sanjay Labroo is not disqualified from being appointed as a Director in terms of Companies Act, 2013 and has consented to act as Director of the Company. The Board considers it desirable to avail the expertise and guidance of Mr. Sanjay Labroo on the Board.

Mr. Sanjay Labroo and Mr. B. M. Labroo are interested in the Resolution set out at item no. 7 of the Notice with regard to his appointment and his relatives are deemed to be interested in the Resolution to the extent of their shareholding interest, if any, in the Company. Save and except as above, none of the other Directors, Key Managerial Personnel or their relatives are concerned or interested in the said Resolution.

The Board recommends the Special Resolution set out at item no. 7 of the Notice for approval by the Members.

Item No. 8

Mr. Rahul Rana, aged 55 years, is an Independent Director. He has been on our Board since 30th December, 2005. He holds a Masters degree in Business Administration from the University of Illinois at Urbana Champaign, the United States of America and a Bachelors degree in finance from Shri Ram College of Commerce, University of Delhi. He was the Managing Director of Deutsche Bank, Singapore and has vast experience in corporate finance, business planning and management.

The Company has received a notice from a Member under Section 160 of the Companies Act, 2013 signifying his intention to propose the appointment of Mr. Rahul Rana as Director of the Company. Mr. Rahul Rana has consented to act as Director. The Board considers it desirable to avail the expertise and guidance of Mr. Rahul Rana on the Board as an Independent Director.

Copy of the draft letter of appointment of Mr. Rahul Rana setting out the terms and condition of appointment is available for inspection by the Members at the registered office of the Company.

The details/ information pursuant to Regulation 36(3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 with respect to appointment of Director is detailed in Annexure-1 to this notice.

The Company has also received declaration from Mr. Rahul Rana that he meets the criteria of independence as prescribed both under Section 149(6) of the Act and under the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Further, he is not disqualified from being appointed as a Director in terms of Companies Act, 2013.

Based on the outcome of performance evaluation of the Independent Directors, on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company at their meeting held on 22nd May, 2019 have approved the reappointment of Mr. Rahul Rana for the second term as provided in the resolution

Except Mr. Rahul Rana and his relatives, none of the Directors or Key Managerial Personnel (KMP) or relatives of Directors and KMP of the Company are concerned with or interested in the proposed Resolution as set out at Item No. 8 of this Notice.

The Board recommends the Special Resolution set forth in Item No. 8 of the Notice for approval of the Members.

Item No. 9:

Mr. Gurvirendra Singh Talwar, aged 71 years, is an Independent Director and has been on our Board since 20th December, 2012. He holds a Bachelor of Arts (Honors) degree in economics from St. Stephen's College, University of Delhi. Mr. Talwar is the founding Chairman and Managing Partner of Sabre Capital Worldwide, a private equity and investment company focused on financial services. Mr. Talwar commenced his career with Citibank in India and was responsible for building and leading Citibank's retail businesses across all countries in Asia-Pacific and the Middle East, and subsequently for managing Citibank's businesses in Europe and North America. He was appointed as an Executive Vice President of Citibank and Citigroup and was a Member of the Policy and Executive Committees of Citigroup and Citibank. Mr. Talwar left Citigroup to join Standard Chartered Plc, where he was appointed as Global Chief Executive. He is the first Asian to have appointed Global Chief Executive of FTSE 15 Company and of a major international bank. Mr. Talwar was previously Chairman of Centurion Bank of Punjab Limited in India. He is a Non-executive Director of DLF Limited. He has also served on the global boards of Pearson Plc, Schlumberger Limited and Fortis SV and NA. He is the founding Governor of the Indian School of Business, a former Governor of the London Business School and is Patron of the National Society for Prevention of Cruelty to Children.

The Company has received a notice from a Member under Section 160 of the Companies Act, 2013 signifying his intention to propose the appointment of Mr. Gurvirendra Singh Talwar as Director of

the Company. Mr. Gurvirendra Singh Talwar has consented to act as Director. The Board considers it desirable to avail the expertise and guidance on the Board as an Independent Director.

Copy of the draft letter of appointment of Mr. Talwar setting out the terms and condition of appointment is available for inspection by the Members at the registered office of the Company.

The details/ information pursuant to Regulation 36(3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 with respect to appointment of Director is detailed in Annexure-1 to this notice.

The Company has also received declaration from Mr. Gurvirendra Singh Talwar that he meets the criteria of independence as prescribed both under Section 149(6) of the Act and under the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Further, he is not disqualified from being appointed as a Director in terms of Companies Act, 2013.

Based on the outcome of performance evaluation of the Independent Directors, on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company at their meeting held on 22nd May, 2019, have approved the reappointment of Mr. Gurvirendra Singh Talwar for the second term as provided in the resolution

Except Mr. Gurvirendra Singh Talwar and his relatives, none of the Directors or Key Managerial Personnel (KMP) or relatives of Directors and KMP of the Company are concerned with or interested in the proposed Resolution as set out in Item No. 9 of this Notice.

The Board recommends the Special Resolution set forth in Item No. 9 of the Notice for approval of the Members.

Item No. 10:

In terms of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, appointment or continuation of a Non-executive Director after attaining age of 75 years consent of the Members by way of a Special Resolution is required for continuation of tenure of Mr. Gurvirender Singh Talwar, Non-executive Director designated as "Independent Director", who shall attain 75 years of age during his proposed second term.

Considering the rich experience, expertise and valuable contribution of Mr. Gurvirender Singh Talwar towards the Company, pursuant to recommendations of the Nomination and Remuneration Committee and Board of Directors at their meetings held on 17th May, 2019 and 22nd May, 2019 respectively, consent of the Members, by way of Special Resolution, is sought in compliance with Regulation 17 (1A) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, for continuation of tenure of Mr. Talwar as Non-executive Independent Director of the Company beyond 22nd March, 2023.

The Board recommends the Special Resolution set forth at Item no. 10 for the approval of Members.

None of the Directors or Key Managerial Personnel of the Company and their relatives, are concerned or interested, in this item.

Shareholder's Referencer At a Glance

1) Status of Preference Shares

The 10% Non-Convertible Cumulative Redeemable Preference Shares were issued in accordance with the order of the High Courts of Delhi and Bombay, post-merger of Floatglass India Limited (FGI) with AIS in September, 2003. These preference shares were to be redeemed at their face value after 12 months from the date of issue. Accordingly, these preference shares were redeemed on 23.09.2004 at face value (₹ 10/- per share).

Hence, the preference shares stand cancelled post redemption as above and cannot be traded, transferred or dematerialized. Members who have these preference shares in their custody are requested to check their redemption payment status with their banks.

2) Status of Equity Shares of Floatglass India Ltd.

Floatglass India Ltd. (FGI) has merged with Asahi India Glass Ltd. (AIS) in the year 2003, in accordance with the order of the High Courts of Delhi and Bombay.

The following scheme was approved by the Hon'ble High Courts -

Every 8 (eight) shares of FGI to be exchanged for 3 (three) Equity shares of AIS of Re 1/- each fully paid up, and 4 (four), 10% cumulative preference shares of ₹ 10 /- each. The original share certificates of AIS (both equity & preference) were dispatched to all eligible shareholders of FGI without calling back the original FGI share certificates as per the direction of the High Court.

Post-merger, FGI shares cannot be traded, transferred or dematerialized. In case of any further query shareholders may write to the Company/ RTA.

3) Shareholder Grievances & its handling mechanism

AIS has a dedicated 'Shareholder Grievance Cell' (Mumbai) and all shareholder queries are resolved promptly. Shareholders are requested to contact the following to get their issues resolved promptly -

Link Intime India Pvt. Ltd., (Mumbai)

C 101, 247 Park, L B S Marg,
Vikhroli West, Mumbai 400 083
Tel: (022) 49186000

Link Intime India Pvt. Ltd. (Delhi)

1st Floor, Plot No. NH-2, C-1 Block, Near Savitri Market
Janakpuri, New Delhi 110058 Tel: (011) 41410592-94
Fax: (011) 41410591

Alternatively, shareholders can also call our dedicated Shareholder Grievance Officer - Mr. Shirish Saha at 0124- 406 2212-19 or e-mail at – investorrelations@aisglass.com.

4. Nomination Facility

Section 72 of the Companies Act, 2013 provides the facility of nomination to the shareholders. This facility is mainly useful for individuals holding shares in sole name, especially those who are holding shares in sole name are advised to avail the nomination facility by submitting the prescribed Form SH-13. A copy of sample form is available under the Investor Relations section of the Company's website - www.aisglass.com.

However, if shares are held in dematerialized form, nomination has to be registered with concerned DP directly, as per the format prescribed by the DP.

5) Duplicate Shares

The loss of share certificate(s) should be reported immediately to AIS along with certificate nos./ folio no. and distinctive nos. to mark a precautionary stop transfer of such shares in the system. The request for issue of duplicate share certificate(s) should be sent to our RTA in the prescribed manner. For legal/formal procedure with regard to the same, please write to our RTA.

6. Transfer of Equity Shares

Equity shares of AIS are freely transferable. All transfer requests should be sent on a duly executed Transfer Deed in prescribed SH - 4 affixing appropriate stamp duty along with the original share certificates. Such transfers are affected well within the statutory time limits.

However, SEBI vide its circular dated 20th May, 2009 has stated that the transferee (s) has to furnish a copy of PAN card to the Company/ RTA for registration of such transfer of shares. Hence Members are requested to attach a copy of PAN card to effect transfer of shares.

7. Transmission of Equity Shares

In case of death of a shareholder, their legal heirs are entitled for the equity shares to be transmitted in their name. Detailed documents and formalities are required to effect transmission of shares. In the unfortunate event requiring transmission of shares, Members may please contact our RTA for the requisite formalities and assistance.
